Book 8 in the Yellowstone Romance SeriesDanica Jensen dreams of a man she knows she can never have. After one brief encounter five years ago, her heart is lost to him forever, and she won't give up hope of seeing him again. Raised by a bitter father, she's learned to be strong and resourceful on her own. When a pleasure trip to the newly created Yellowstone National Park turns into a battle for survival, her inner strength is tested like never before.A woman like Danica doesn't interest Josh Osborne. He'd be crazy to get involved with a bossy, strong-willed white woman. His mixed heritage has always made people wary of him. He prefers to be on his own, and his role as protector of the national park's game allows for no attachments.Danica's dream of ever winning Josh's heart shatters after a cruel twist of fate changes her life forever. Suddenly forced together, they must confront their deepest secrets. Josh can't deny his growing respect and admiration for this brave woman, but will the bond they've forged be powerful enough to turn his feelings into love? When an unforeseen danger threatens their lives, Josh must protect more than the wild inhabitants of the park.***Content Warning: This story contains mild violence, mild profanity, adult situations including physical intimacy, and is intended for mature readers.Other titles in the Yellowstone Romance Series (in recommended reading order): Yellowstone Heart SongReturn To YellowstoneYellowstone ChristmasYellowstone RedemptionYellowstone ReflectionsYellowstone Love Notes (short story)Yellowstone Season of Giving (short story)Yellowstone HomecomingYellowstone AwakeningYellowstone DawnYellowstone DeceptionYellowstone PromiseYellowstone OriginsYellowstone LegacyYellowstone LegendsRelated/Spin-off Series: Teton Romance SeriesWilderness Brides SeriesWild Mountain Hearts Seri From one of the world's leading voices on white privilege and anti-racism work comes this collection of essays on complexities of privilege and power. Each of the four parts illustrates Peggy McIntosh's practice of combining personal and systemic understandings to focus on power in unusual ways. Part I includes McIntosh's classic and influential essays on privilege, or systems of unearned advantage that correspond to systems of oppression. Part II helps readers to understand that feelings of fraudulence may be imposed by our hierarchical cultures rather than by any actual weakness or personal shortcomings. Part III presents McIntosh's Interactive Phase Theory, highlighting five different world views, or attitudes about power, that affect school curriculum, cultural values, and decisions on taking action. The book concludes with powerful insights from SEED, a peer-led teacher development project that enables individuals and institutions to work collectively toward equity and social justice. This book is the culmination of forty years of McIntosh's intellectual and organizational work. Jake Owens is tired of life on his parents' Montana ranch, catering to city folk who want a taste of old-fashioned country living. He enjoys life in the fast lane, with fast cars and even faster women. When he falls in with the wrong crowd and is accused of murder, a stranger's bizarre offer at a second chance might be his only hope to clear his name. Rachel Parker is highly devoted to her family. A tragedy prompts a daring move to the Oregon Territory for a fresh start in a new land. After meeting the wagon train's scout, the meaning of a fresh start may be more than she ever imagined. Jake can't believe he's been sent back in time to act as scout for a wagon train headed for Oregon, and given the added burden of keeping one emigrant woman safe during the journey. He and Rachel are confused by their attraction to each other. Jake's ill-mannered, unconventional ways are overshadowed only by his notorious reputation. Rachel's traditional values and quiet, responsible character are the complete opposite of what attracts Jake to a woman. When their forbidden attraction turns to love, what will happen at the end of the trail?*** Awarded First Place in the 2015 AJN Book of the Year Award in two categories - "History and Public Policy" and "Professional Issues"*** This anthology presents the philosophical and practice perspectives of nurse scholars whose works center on promoting nursing research, practice, and education within frameworks of social justice and critical theories. Social justice nursing is defined by the editors as nursing practice that is emancipatory and rests on the principle of praxis which is practice aimed at attaining social justice goals and outcomes that improve health experiences and conditions of individuals, their communities, and society. There is a lack in the nursing discipline of resources that contain praxis approaches and there is a need for new concepts, models, and theories that could encompass scholarship and practice aimed at purposive reformation of nursing, other health professions, and health care systems. Chapters bridge critical theoretical frameworks and nursing science in ways that are understandable and useful for practicing nurses and other health professionals in clinical settings, in academia, and in research. In this book, nurses' ideas and knowledge development efforts are not limited to problems and solutions emerging from the dominant discourse or traditions. The authors offer innovative ways to work towards establishing alternative forms of knowledge, capable of capturing both the roots and complexity of contemporary problems as distributed across a diversity of people and communities. It fills a significant gap in the literature and makes an exceptional contribution as a collection of new writings from some of the foremost nursing scholars whose works are informed by critical frameworks. Book 7 in the Yellowstone Romance SeriesA man willing to risk everything, including his life and all he's worked for, to free the woman he loves from an impossible situation. Kyle Russell has worked with prominent men, led scouting expeditions through the Yellowstone country, and irritated more than a few Indian braves, but he will never duplicate his father's legendary accomplishments. Captured by a group of Crow warriors, his plans of escape are derailed when a lone white woman is brought into camp.Kate Ellen Devereaux is on the run. Her guardian is dead, and she is lost in the Yellowstone wilderness. Found by an Indian war party, she is brought into their camp and thrown at the feet of a white captive. If he has plans of escape, she won't be left behind.Kyle's father may be a legend in the territory, but he never had to deal with an eastern lady full of secrets, a woman who disrupts Kyle's plans to see the Yellowstone area turned into a national park. Convincing her that they are destined to be together may be a greater challenge than gaining support for the park movement. Kate can't afford to show interest in any man, regardless of her growing attraction to her backwoods rescuer. Will her ultimate reason for rejecting him spell doom for their growing love, and the national park idea, or can Kyle find a way to rescue both?Other titles in the Yellowstone Romance Series (in recommended reading order): Yellowstone Heart SongReturn To YellowstoneYellowstone ChristmasYellowstone RedemptionYellowstone ReflectionsYellowstone Love Notes (short story)Yellowstone Season of Giving (short story)Yellowstone HomecomingYellowstone AwakeningYellowstone DawnYellowstone DeceptionYellowstone PromiseYellowstone OriginsYellowstone LegacyYellowstone LegendsRelated/Spin-off Series: Teton Romance SeriesWilderness Brides SeriesWild Mountain Hearts Series An exciting picture book inspired by a real-life classroom service dog with themes of friendship, neurodivergence, and courage Harley the service dog is on the job! He goes to school every day with Ms. Prichard to make sure she feels safe. Their students are a lot of fun, but Harley can't play with them while he's wearing his work vest. They write him lots of letters instead, and everything is perfect in the best, most quiet class in the whole school. Until the day the old stage curtains catch fire. As the fire alarm blares and chaos erupts, Harley remembers that Ms. Prichard isn't the only human in his class who gets upset by loud noises. Inspired by a true story, Harley the Hero celebrates the work of service animals and the normalization of neurodivergence. Author-illustrator Peggy Collins brings Harley and his class to charming life and concludes with an Author's Note about the real dog behind the fictional Harley. Apply the five patterns of knowing to improve patient care! Knowledge Development in Nursing: Theory and Process, 10th Edition helps you understand nursing theory and its links with nursing research and practice. It examines the principles of knowledge development, from the relationship between patterns of knowing to their use in evidence-based nursing care. Written by nursing educators Peggy Chinn and Maeona Kramer, this unique book is updated with new examples from clinical practice. Coverage of the five Patterns of Knowing includes empiric, personal, aesthetic, ethical, and emancipatory knowledge, defining the different types of knowledge and how they relate to each other. Full-color map in the book and online animation depict how the patterns of knowing are related. Think About It questions sharpen your understanding of the emancipatory knowing process of praxis - a synthesis of thoughtful reflection, caring, and action. Discussion of evidence-based practice provides examples of how the five patterns of knowing may be applied to nursing practice. Interpretive summaries highlight the interrelatedness of all patterns of knowing, making it easier to master all dimensions of knowing. A glossary defines the key terms and concepts of nursing theory. NEW! Updated real-life examples bring complex concepts to life. NEW! Embedded prompts promote understanding and reflection: Why is this important?, Consider this, Imagine this, and Discuss this. Case Studies for Inclusive Schools, Third Edition is a major revision that provides a stimulating format for understanding a variety of inclusion issues in the schools. The content focuses on problem solving from a collaborative perspective. Teacher education students and teaching professionals can use this excellent text to explore the different attitudes, problems, and situations that arise in the schools. Typical problems associated with integrating disabled students into general education classrooms are highlighted in the 57 case studies. The content of the case study questions in the book reflects current instructional concerns including: * assistive technology * curriculum accessibility * response to intervention * evaluation Teton Romance Trilogy Book 1 Evelyn Lewis' secret dream of marrying her brother's best friend is shattered when he leaves their home town to seek his fortune elsewhere. For six long years, she's waited and wondered if he would return. After the shocking murder of her parents, her brother is the only family she has left. Refusing to accept a betrothal to a man she doesn't love, she decides to take control of her destiny and confront her parents' killer. Growing up, Alexander Walker has known only violence at the hands of his cruel father. After the death of his mother, he embarks on a journey into the uncharted wilderness to test his resolve as a fur trapper and mountain man. When an impulsive decision leads him back to his childhood home, he finds more than he bargained for. Amid the rugged Teton wilderness, fate suddenly throws Alex and Evelyn together. The quiet protective boy she remembers is now as strange to her as the world she's been forced into. Wary of the hardened man he has become, Evelyn must put her trust in him in order to survive. Alex's memories of Evelyn are of a pesky little girl, but he can't deny his growing feelings for the beautiful and spirited woman she is now. His biggest obstacle in winning her heart may not be her uncertainty of him, but a fear that has haunted him all his life. In a primitive and brutal world, can Alex and Evelyn forge a love as solid as the mountains, or will the past come back to haunt them both?***Content Warning: This book contains mild language, mild violence, and adult situations including physical intimacy, and is intended for adult readers. Heat level 2-3 (scale 0-5) PG13 If tragedy in an epilogue after the main story has concluded disturbs or upsets you, please do not read this book! Teton Sunrise is the first book in a trilogy of books about life as it might have been for one family in the harsh wilderness at the base of the Teton Mountains long before the area was settled. Each book is a standalone, but they also build on each other. Events and characters in one book play a role in subsequent books. Teton Sunrise is a complete love story for the hero and heroine in this book, although we see them again in subsequent books. While the book is a romance, it is also a wilderness action and adventure novel, and I didn't want to sugar-coat reality. The life these characters led was not easy. It was harsh, and often brutal. The events that occur in the epilogue, which involve some of the supporting characters in this book, are necessary for the continuation of this trilogy... Other titles in the Teton Romance Trilogy Teton Splendor Teton Sunset Teton Season of Joy (novella) The Teton Romance Trilogy crosses over with the Yellowstone Romance Series as well as the Wilderness Brides Series Keywords: Grand Tetons, mountain men, wilderness, western historical romance, action and adventure romance Caroline Hudson has always gone after what she wants. Leaving the wilderness to pursue a medical degree in Boston would seem unfathomable to most. Being taken seriously as a woman doctor may be her biggest obstacle to overcome. An unexpected offer appears to provide every opportunity for which she had hoped, until a face appears from the shadows to remind her of what she truly wants. From the moment they first met, Trevor Wilder has had a special bond with the intelligent girl who shared his mountain valley. Their common interests and close friendship create a bond not easily broken. He is stunned and hurt when she decides to leave, but her happiness outweighs his desire to direct her future. Wanting to see her family again before settling into a life in Boston, Caroline couldn't ask for a better guide than Trevor. As they journey westward, childhood perceptions fall away, and true character comes to light. Love sometimes means letting go, but will they be able to tell each other how they feel before they lose what has been in front of them all along? Caroline's Passion, while part of a series, can be read as a standalone novel with a happy ever after ending.***Content Warning: This book contains mild language, mild violence, kissing, and physical intimacy with minimal description. Heat Level: 2-3 (scale of 1-5), PG13 Other Titles in the Wilderness Brides Series: Cora's Pride Anna's Heart Caroline's Passion Josie's Valor Harley's Tenacity Related Series that cross over with the Wilderness Brides Series: Yellowstone Romance Series Teton Romance Series Wild Mountain Hearts Series Guess what's growing in the basement . . . A baby monster! Minneapolis Simpkin is hiding it down there. But a monster is a hard thing to keep secret, especially one that hiccups and cries, and gets bigger every hour. Prior to the emergence of a victims' movement in this country in the 1970s, crime victims had only limited formal rights and remedies in the modern American criminal justice system. With the active encouragement of those involved in the victims' movement and guidance supplied by a national Task Force on Victims of Crime, convened by President Reagan in 1982, federal and state authorization of crime victim rights and remedies has increased exponentially in the subsequent years. In fact, it has been estimated that there are currently tens of thousands of statutes that directly or indirectly affect crime victim rights and interests, as well as crime victim-related constitutional provisions in a majority of states. The authors describe the constitutional and legislative provisions addressing the principal crime victim rights and remedies and leading judicial opinions that have interpreted them. In addition to presenting the current state of the law in this area, the text describes the status of implementation of these rights and remedies, relevant empirical research, and a sampling of pertinent policy analysis. This comprehensive portrait of the past and current status of crime victim rights and remedies in this country will inform the continued evolution of law and practice in this area. The third edition of Crime Victim Rights and Remedies continues to address the evolution of key crime victim rights (e.g., the rights to notice of and to be present and heard at criminal justice proceedings) and includes the state constitutional amendments, legislation, court decisions, and empirical studies completed since the second edition in 2010. Of particular note is an expanded federal section regarding each right and remedy in the federal Crime Victims' Rights Act, enacted in 2004, and court decisions that have interpreted the Act in its initial decade of implementation. The third edition also adds a new chapter concerning crime victim rights and remedies in the United States armed services and internationally. This book challenges institutions and their programs to prioritize the use of chronological assessment results to benefit enrolled students in comparison with the more common practice of prolonged assessment cycles that generally benefit future students. Peggy Maki advocates for real-time assessment processes to identify patterns of underperformance and obstacles that require timely interventions for enrolled students to succeed. In tandem with the sets of educational practices and policies that many institutions have now undertaken to close achievement and graduation rates across our diverse student demographics, such as developing clear degree pathways, she calls on all higher education providers – if they are to remain relevant and meet their social purpose in our complex world – to urgently recalibrate their assessment processes to focus on currently enrolled students’ progress towards achieving a high-quality degree, regardless of when they matriculate or re-enter higher education. She demonstrates that we already have sufficient examples and evidence to implement real-time assessment of students as they progress through their studies. She draws on the practices of specialized accredited programs, such as those in the professions that assess in real time; on the experiences of institutions that have adopted competency-based education; and on the affordances of technologies that now provide faculty and students with up-to-the-minute diagnostics. She identifies the six principles necessary to implement a real-time assessment process, illustrated by case studies of how campuses have operationalized them to advance students’ equitable progress towards achieving a high-quality degree; and demonstrates the benefits of real-time assessment compared to more future-oriented processes, among which is engaging students in reflecting on their own progress along their degree pathways. She advocates for the use of well documented national outcomes-based frameworks such as Liberal Education and America’s Promise (LEAP), its aligned Valid Assessment of Learning in Undergraduate Education scoring rubrics (VALUE), the Degree Qualifications Profile, and discipline-based outcomes assessments to ensure high-quality degrees that meet well-defined standards and criteria. She also identifies how data systems and technological developments help to monitor closely and respond in time to students’ patterns of underperformance. The book is an urgent call for higher education to achieve the values of equity, transparency and quality it espouses; and ensure that all students graduate in a timely fashion with the competencies they need to be active and productive citizens. "What we think we know may be completely different..." Nurse Michaela Stephens has led a quiet, ordinary life, limited by restrictions and fear of making mistakes. When she is accused of wrongdoing on the job, escaping to the wilds of Montana seems like the best way to overcome her insecurities. What she thought she left behind is about to come back to haunt her in ways she never expected. As a descendant of the guardians of ancient Yellowstone, Matunaaga has waited a long time to discover his destiny. Content and secure in his life, he is guided by a sense of duty and obligation to help ensure the future preservation of the sacred mountains. He's ready to do just about anything to fulfill his role, except the one thing his vision requires of him. When Mat is thrust into the world he gladly left behind as a boy, the woman from his vision is the only one who can help him find his way. Michaela must learn to set aside her fears, while Mat seeks to convince her of the truth she tries to deny. With forces at work to tear them apart, trust and love may be the key to survival as Mat and Michaela seek to protect the future generations guarding Yellowstone.***Content warning: This book contains mild language, mild violence, and intimacy between consenting adults. Heat rating 3 out of 5. PG13***While Yellowstone Legacy is a complete romance between the two central characters in this novel, certain events that happened in prior books in the series come into play in Yellowstone Legacy. For better enjoyment and understanding of this story, it is recommended that you are familiar with at least the following titles: Yellowstone Heart Song, Yellowstone Deception, and Yellowstone Origins. Other titles in the Yellowstone Romance Series in recommended reading order: Yellowstone Heart Song Return to Yellowstone (Sequel to Yellowstone Heart Song) Yellowstone Vows (short story) A Yellowstone Christmas Yellowstone Redemption Yellowstone Reflections Yellowstone Homecoming Yellowstone Love Notes (short story) Yellowstone Season of Giving (short Story) Yellowstone Awakening Yellowstone Dawn Yellowstone Deception A Yellowstone Promise Yellowstone Origins Yellowstone Legacy Yellowstone Legends Yellowstone Romance Series, novella, romance, Wilderness, western historical, time travel romance While there is consensus that institutions need to represent their educational effectiveness through documentation of student learning, the higher education community is divided between those who support national standardized tests to compare institutions' educational effectiveness, and those who believe that valid assessment of student achievement is based on assessing the work that students produce along and at the end of their educational journeys. This book espouses the latter philosophy—what Peggy Maki sees as an integrated and authentic approach to providing evidence of student learning based on the work that students produce along the chronology of their learning. She believes that assessment needs to be humanized, as opposed to standardized, to take into account the demographics of institutions, as students do not all start at the same place in their learning. Students also need the tools to assess their own progress. In addition to updating and expanding the contents of her first edition to reflect changes in assessment practices and developments over the last seven years, such as the development of technology-enabled assessment methods and the national need for institutions to demonstrate that they are using results to improve student learning, Maki focuses on ways to deepen program and institution-level assessment within the context of collective inquiry about student learning. Recognizing that assessment is not initially a linear start-up process or even necessarily sequential, and recognizing that institutions develop processes appropriate for their mission and culture, this book does not take a prescriptive or formulaic approach to building this commitment. What it does present is a framework, with examples of processes and strategies, to assist faculty, staff, administrators, and campus leaders to develop a sustainable and shared core institutional process that deepens inquiry into what and how students learn to identify and improve patterns of weakness that inhibit learning. This book is designed to assist colleges and universities build a sustainable commitment to assessing student learning at both the institution and program levels. It provides the tools for collective inquiry among faculty, staff, administrators and students to develop evidence of students’ abilities to integrate, apply and transfer learning, as well as to construct their own meaning. Each chapter also concludes with (1) an Additional Resources section that includes references to meta-sites with further resources, so users can pursue particular issues in greater depth and detail and (2) worksheets, guides, and exercises designed to build collaborative ownership of assessment. The second edition now covers: * Strategies to connect students to an institution’s or a program’s assessment commitment * Description of the components of a comprehensive institutional commitment that engages the institution, educators, and students--all as learners * Expanded coverage of direct and indirect assessment methods, including technology-enabled methods that engage students in the process * New case studies and campus examples covering undergraduate, graduate education, and the co-curriculum * New chapter with case studies that presents a framework for a backward designed problem-based assessment process, anchored in answering open-ended research or study questions that lead to improving pedagogy and educational practices * Integration of developments across professional, scholarly, and accrediting bodies, and disciplinary organizations * Descriptions and illustrations of assessment management systems * Additional examples, exercises, guides and worksheets that align with new content Book 4 in the Yellowstone Romance SeriesCity boy Chase Russell is on the fast track to self-destruction. A star athlete, he gets into trouble with drugs and alcohol. Fulfilling a community service sentence in Yellowstone National Park is the last thing he wants to do. After a night of drinking in the park, he wakes up to find his new friends gone, and everything around him has changed. Sarah Osborne grew up in the rugged Yellowstone wilderness. She can hunt and track right alongside the most experienced men. When some Indians drop a near-dead man off on her doorstep, she doesn't know what to think. He's convinced he's from the future, and wants to find a way home. Chase has no idea how he ended up time traveling to the past. He doesn't know the first thing about surviving without modern conveniences. Finding your own food means a quick trip to the nearest fast food joint, not hunting and foraging for it. Time and again, his will is tested to stay alive in this untamed land. Is his growing love for a brave woman who shows him what it truly means to be a man strong enough to keep him in the past, or is he still determined to return to the ease and comforts of the future?***Content Warning: This story contains mild violence, mild profanity, and adult situations

They jar our minds and our biases.... This book is a valuable contribution to gender-oriented biblical scholarship. Its content is accessible to both the scholarly and the less technically trained reader. All will be well served by this important collection of essays."? Naomi Steinberg, DePaul University"This book is a credit to the quality and breadth of feminine biblical scholarship and presents some creative interpretations of the texts and a wealth of Ancient Near Eastern material."? J. Massyngbaerde Ford, University of Notre Dame Cora Miller is fiercely independent and stubborn to a fault.

Betrayed more than once by men she thought she could trust, she’s learned to rely only on herself. As the oldest of four siblings, she feels responsible for leading her family safely on the Oregon Trail for a new start. Nathaniel Wilder is no stranger to the hardships and dangers of the wilderness. Raised with his brothers by a trapper in the remote mountains, he left behind the mistakes he’s made in the past. He’s been called reckless and irresponsible, but won’t hesitate to help someone in need. A foolhardy mishap puts Nathaniel in the direct path of a stubborn, yet beautiful woman with fire in her eyes. Despite her refusal of help, he is determined to prove she can depend on him. When her pride puts her and her family in peril, Cora accepts that she can’t do it on her own. If misgivings can turn to trust, or even love, both Cora and Nathaniel could come out stronger in the end. ***Content Warning: This book contains mild language, mild violence, kissing, and physical intimacy with minimal description. Heat Level: 2-3 (on a scale of 1-5), PG/PG13 The entrance into deaf ministry was a challenge for Rev.

Peggy Johnson, but her fascination and spiritual calling provided her with perseverance, which enables her to have a future in deaf ministry. A truly inspirational and educational reading. The classic story by E. B. White, author of the Newbery Honor Book Charlotte’s Web and The Trumpet of the Swan, about one small mouse on a very big adventure. Now available as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he’s shy and thoughtful, he’s also a true lover of adventure. Stuart’s greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? Stuart Little joins E. B. White favorites Charlotte’s Web and The Trumpet of the Swan as classic illustrated novels that continue to speak to today’s readers. Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories. Amelia Bedelia, the housekeeper with a literal mind, merrily upsets the household when she "dresses" the chicken and "trims" the steak with ribbons and lace. Twelve-year-old Hope lives in a post World War III town called White Rock where everyone must participate in Inventions Day, and though Hope’s inventions always fail, her unique skill set comes in handy when bandits who want to steal precious medical supplies invade the town. Responding to both the trend towards increasing online enrollments as the demand for face-to-face education declines, and to the immediate surge in remote learning owing to the COVID-19 pandemic, this book provides vital guidance to higher education institutions on how to develop faculty capacity to teach online and to leverage the affordances of an ever-increasing array of new and emerging learning technologies. This book provides higher education leaders with the context they need to position their institutions in the changing online environment, and with guidance to build support in a period of transition. It is intended for campus leaders and administrators who work with campus teams charged with identifying learning technologies to meet an agreed upon program- or institution-level educational needs; for those coordinating across campus to build consensus on implementing online strategies; and for instructional designers, faculty developers and assessment directors who assist departments and faculty effectively integrate learning technologies into their courses and programs. It will also appeal to faculty who take an active interest in improving online teaching. The contributors to this volume describe the potential of artificial intelligence algorithms, such as those that fuel learning analytics software that mines LMS data to enable faculty to quickly and efficiently assess individual students’ progress in real time, prompting either individual attention or the need to more generally clarify concepts for the class as whole. They describe and provide access to a hybrid professional development MOOC and an associated WIKI that curate information about a wide range of learning software solutions currently available; and present case studies that offer guidance on building the buy-in and consensus needed to successfully integrate learning technologies into course, program- and institution-level contexts. In sum, this book provides readers with a comprehensive understanding of the technological capabilities available to them and identifies collaborative processes related to engaging and building institutional support for the changes needed to provide the rapidly growing demand for effective and evidence-based online learning. When regret of one decision from

your past alters the direction of your life... After a long winter in the remote Teton Mountains, Anna Porter is convinced that she's not cut out for wilderness living. Her heart yearns for a place where she'll feel at home, and she's ready to continue the journey she started a year ago along the Oregon Trail. Without an escort, she may be forced to marry a stranger out of necessity . . . until the least likely man agrees to accompany her. Ethan Wilder has spent the last twelve years living with guilt and painful memories. Determined to prevent anyone from getting through his angry exterior, he remains distant and callous, even with those closest to him. When a series of mishaps brings him in close contact with the quiet woman who has spent the winter on his homestead, he believes the only way to get her out of his thoughts is to take her as far away as possible. The best laid plans don't always work out as expected, as Ethan and Anna soon discover. Traveling to a new land brings two hurt and lonely people together in the most unexpected way. If Anna can chisel through the granite wall Ethan has built around his heart, home might be closer than she ever imagined. *** Content: mild language, mild violence, intimacy (mild description) between married adults. Heat rating: 2-3 out of 5, PG13 WILDERNESS BRIDES Cora's Pride Anna's Heart Caroline's Passion (coming soon) RELATED SERIES (cross over characters and story lines with Wilderness Brides) YELLOWSTONE ROMANCE SERIES Yellowstone Heart Song Yellowstone Christmas (novella) Yellowstone Redemption Yellowstone Homecoming (novella) Yellowstone Season of Giving (short story) Yellowstone Awakening Yellowstone Dawn Yellowstone Deception Yellowstone Promise (novella) Yellowstone Origins Yellowstone Legacy TETON ROMANCE TRILOGY Teton Sunrise Teton Splendor Teton Sunset Teton Season of Joy (novella) The exotic and suspenseful New York Times Notable Book that tells the story of an eccentric guest-house keeper in Varanasi, India, and the passions evoked by her sacred city along the Ganges The Lonely Planet recommends the Saraswati Guest House, and meeting Madame Natraja, "a one-woman blend of East and West," as well worth a side trip. Over the course of a weekend, several guests turn up, shocked to encounter a three-hundred-some-pound, surly white woman in a sari. Then a series of Hindu-Muslim murders leads to a citywide curfew, and they unwittingly become her captives. So begins a period of days blending into nights as Natraja and her Indian cook become entangled in a web of religious violence, and their guests fall under the spell of this ancient kingdom--at once enthralled and repelled by the begging children, the public funeral pyres, the holy men bathing in the Ganges at dawn. This is a traveler's tale, a story about the strange chemistry that develops from unexpected intimacies on foreign ground. And Peggy Payne's extraordinary talent vividly conjures up the smells of the perfume market, the rhythms of holy men chanting at dawn, the claustrophobic feel of this ancient city's tiny lanes, and the magic of the setting sun over the holy Ganges. For anyone who has harbored a secret desire to go to India and be transformed, Sister India, called "mesmerizing" by Gail Harris and "a modern version of E. M. Forster's classic A Passage to India" by Dan Wakefield, takes you on this journey without ever leaving home. The Shade Gap "Mountain Man" story through firsthand accounts profusely illustrated with contemporary photographs by the author Book 1 in the Yellowstone Romance Series "I am not good with words, but you make my heart sing, Aimee..."Nurse and avid backpacker Aimee Donovan is offered the opportunity of a lifetime. She encounters a patient who tells her he is a time traveler and can send her two hundred years into the past to spend three months in the rugged Yellowstone wilderness at the dawn of the mountain man era. The only requirement: she cannot tell anyone that she's from the future. How did a white woman suddenly appear in the remote Rocky Mountain wilderness? Trapper Daniel Osborne's first instinct is to protect this mysterious and unconventional woman from the harsh realities of his mountains. While he fights his growing attraction to her, he is left frustrated by her lies and secrecy. Daniel shows Aimee a side of Yellowstone she's never experienced. She is torn between her feelings for him, and exposing a secret that will destroy everything he holds as truth. As her three months come to an end, she is faced with a dilemma: return to her own time, or stay with the man who opened her eyes to a whole new world. When the decision is made for her, both their lives will be changed forever.***Content

Emphasizing the intrinsic relationships between theory and the functional aspects of research and practice, this book prepares the student not only for the study of nursing science but for the work of nursing itself. The fourth edition includes an updated discussion of the emergence of nursing theory, reflecting recent developments in midrange nursing theory. This book employs a questioning approach to the concepts of nursing theory, engaging the reader to critically examine the assumptions underlying those concepts as well as to construct a personal framework of nursing knowledge. The language of this edition has been clarified to make the concepts more accessible, and the new edition employs a shift in language from the terminology of the traditional scientific method to care-based language appropriate to the science of nursing. Each definition in the glossary of terms includes page references to the text, thus aiding the reader in developing a comfortable familiarity with the terminology. Extensively revised references and bibliography provide guidance for readers as they learn to formulate and test their own theories of nursing. Updated appendices overview both the historical perspective of the major nursing theories and the current trend toward practice-based theory.end t 80. "Based on extensive experience in classrooms, committees, and workshops, leading author and nurse educator Peggy Chinn illustrates how every participant in a group can be valued as a leader... Chinn advocates for a more equitable group model by using cooperative processes, and demonstrates how to overcome habits of exclusionary group interactions. This hands-on guide is the essential resource for faculty, community groups, and others seeking to promote greater integrity and cooperation in their groups and organizations"-- Success Strategies from Women in Stem: A Portable Mentor, Second Edition, is a comprehensive and accessible manual containing career advice, mentoring support, and professional development strategies for female scientists in the STEM fields. This updated text contains new and essential chapters on leadership and negotiation, important coverage of career management, networking, social media, communication skills, and more. The work is accompanied by a companion website that contains annotated links, a list of print and electronic resources, self-directed learning objects, frequently asked questions, and more. With an increased focus on international relevance, this comprehensive text contains shared stories and vignettes that will help women pursuing or involved in STEM careers develop the necessary professional and personal skills to overcome obstacles to advancement. Preserves the style and tone of the first edition by bringing together mentors, trainees and early-career professionals in a series of conversations about important topics related to careers in STEM fields, such as leadership, time stress, negotiation, networking, social media and more Identifies strategies that can improve career success along with stories that elucidate, engage, and inspire Companion website provides authoritative information from successful women engaged in STEM careers, including annotated links to key organizations, associations, granting agencies, teaching support materials, and more Peggy Orenstein, acclaimed author of the groundbreaking New York Times bestsellers Girls & Sex and Schoolgirls, offers a radical, timely wake-up call for parents, revealing the dark side of a pretty and pink culture confronting girls at every turn as they grow into adults. Sweet and sassy or predatory and hardened, sexualized girlhood influences our daughters from infancy onward, telling them that how a girl looks matters more than who she is. Somewhere between the exhilarating rise of Girl Power in the 1990s and today, the pursuit of physical perfection has been recast as the source of female empowerment. And commercialization has spread the message faster and farther, reaching girls at ever-younger ages. But how dangerous is pink and pretty, anyway? Being a princess is just make-believe; eventually they grow out of it . . . or do they? In search of answers, Peggy Orenstein visited Disneyland, trolled American Girl Place, and met parents of beauty-pageant preschoolers tricked out like Vegas showgirls. The stakes turn out to be higher than she ever imagined. From premature sexualization to the risk of depression to rising rates of narcissism, the potential negative impact of this new girlie-girl culture is undeniable—yet armed with awareness and recognition, parents can effectively counterbalance its influence in their daughters’ lives. A must have classic for all baby bedtimes and gifting opportunities. Good night, Gorilla. . . Good night, Elephant. . . It's bedtime at the zoo, and all the animals are going to sleep. Or are they? Who's that short, furry guy with the keys in his hand and the mischievous grin? Sneak along behind the zookeeper's back and see who gets the last laugh in this riotous good-night romp. The new generous trim size of every toddler's favorite book is even easier to share. With a warm, funny author's note highlighting how much this book has meant to kids and families since it was first published and some clever new details hidden in the illustrations, Good Night, Gorilla is the perfect gift for new babies as well as fans young and old. Look for Peggy Rathmann's other lively favorites 10 Minutes Till Bedtime and The Day the Babies Crawled Away. Wanda Petronski, a little Polish girl in an American school, is laughed at because she always wears a faded blue dress, until her classmates learn a lesson. A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, About My Mother is a book about my grandmother, written by my mother. That’s not to say it’s not about my mother—it is. In fact, About My Mother is as much about my mother as it is about my grandmother. In that sense, it’s really a book about “mothers.” . . .It is not, however, a book written by me. True, I did write the foreword. But it doesn’t mean I’ve written a book about my mother. I haven’t. Nor does it mean my mother’s book is about her son. It isn’t. It’s about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, About My Mother will make you laugh and cry—and see yourself in its reflection. Peggy Rowe’s story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there’s a Thelma in everyone’s life. Shes the person taking charge—the one who knows instinctively how things should be. Today Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes, we’re more alike than we know. And in case you’re wondering, Peggy knows a thing or two about dirty jobs herself. . . Increasing numbers of migrants continue to participate in the political, social, and economic lives of their countries of origin even as they put down roots in the USA. This work offers an account of how ordinary people keep their feet in two worlds and create communities that span borders.

Thank you certainly much for downloading **Yellowstone Heart Song Romance 1 Peggy L Henderson**.Maybe you have knowledge that, people have see numerous times for their favorite books behind this Yellowstone Heart Song Romance 1 Peggy L Henderson, but end going on in harmful downloads.

Rather than enjoying a good PDF as soon as a cup of coffee in the afternoon, otherwise they juggled subsequently some harmful virus inside their computer. **Yellowstone Heart Song Romance 1 Peggy L Henderson** is affable in our digital library an online access to it is set as public so you can download it instantly. Our digital library saves in combined countries, allowing you to acquire the most less latency era to download any of our books like this one. Merely said, the Yellowstone Heart Song Romance 1 Peggy L Henderson is universally compatible gone any devices to read.

Recognizing the artifice ways to get this ebook **Yellowstone Heart Song Romance 1 Peggy L Henderson** is additionally useful. You have remained in right site to begin getting this info. acquire the Yellowstone Heart Song Romance 1 Peggy L Henderson link that we find the money for here and check out the link.

You could buy guide Yellowstone Heart Song Romance 1 Peggy L Henderson or acquire it as soon as feasible. You could speedily download this Yellowstone Heart Song Romance 1 Peggy L Henderson after getting deal. So, in the manner of you require the book swiftly, you can straight get it.
