This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

Sister Carrie Aug 04 2021 Sister Carrie (1900) is a novel by Theodore Dreiser about a young country girl who moves to the big city where she starts realizing her own American Dream, first as a mistress to men that she perceives as superior, and later becoming a famous actress. It has been called the "greatest of all American

urban novels".PLOT:Dissatisfied with life in her rural Wisconsin home, 18-year-old Caroline "Sister Carrie" Meeber takes the train to Chicago, where her older sister Minnie, and Minnie's husband, Sven Hanson, have agreed to take her in. On the train, Carrie meets Charles Drouet, a traveling salesman, who is attracted to her because of her simple beauty and unspoiled manner. They exchange contact information, but upon discovering the "steady round of toil" and somber atmosphere at her sister's flat, she writes to Drouet and discourages him from calling on her there.Carrie soon embarks on a quest for work to pay rent to her sister and her husband, and takes a job running a machine in a shoe factory. Before long, however, she is shocked by the coarse manners of both the male and female factory workers, and the physical demands of the job, as well as the squalid factory conditions, begin to take their toll. She also senses Minnie and Sven's disapproval of her interest in Chicago's recreational opportunities, particularly the theater. One day, after an illness that costs her her job, she encounters Drouet on a downtown street. Once again taken by her beauty, and moved by her poverty, he encourages her to dine with him, where, over sirloin and asparagus, he persuades her to leave her sister and move in with him. To press his case, he slips Carrie two ten dollar bills, opening a vista of material possibilities to her. The next day, he rebuffs her feeble attempts to return the money, taking her shopping at a Chicago department store and securing a jacket she covets and some shoes. That night, she writes a good-bye note to Minnie and moves in with Drouet.Drouet installs her in a much larger apartment, and their relationship intensifies as Minnie dreams about her sister's fall from innocence. She acquires a sophisticated wardrobe and, through his offhand comments about attractive women, sheds her provincial mannerisms, even as she struggles with the moral implications of being a kept woman. By the time Drouet introduces Carrie to George Hurstwood, the manager of Fitzgerald and Moy's - a respectable bar that Drouet describes as a "way-up, swell place" - her material appearance has improved considerably. Hurstwood, unhappy with and distant from his social-climbing wife and children, instantly becomes infatuated with Carrie's youth and beauty, and before long they start an affair, communicating and meeting secretly in the expanding, anonymous city.....Theodore Herman Albert Dreiser (August 27, 1871 - December 28, 1945) was an American novelist and journalist of the naturalist school. His novels often featured main characters who succeeded at their objectives despite a lack of a firm moral code, and literary situations that more closely resemble studies of nature than tales of choice and agency. Dreiser's best known novels include Sister Carrie (1900) and An American Tragedy (1925). In 1930 he was nominated to the Nobel Prize in Literature.

Sister Carrie Feb 16 2020 Sister Carrie (1900) is a novel by Theodore Dreiser about a young

country girl who moves to the big city where she starts realizing her own American Dream, first as a mistress to men that she perceives as superior, and later becoming a famous actress. It has been called the "greatest of all American urban novels". Late 1889. Dissatisfied with life in her rural Wisconsin home, 18-year-old Caroline "Sister Carrie" Meeber takes the train to Chicago, where her older sister Minnie, and Minnie's husband, Sven Hanson, have agreed to take her in. On the train, Carrie meets Charles Drouet, a traveling salesman, who is attracted to her because of her simple beauty and unspoiled manner. They exchange contact information, but upon discovering the "steady round of toil" and somber atmosphere at her sister's flat, she writes to Drouet and discourages him from calling on her there. Carrie soon embarks on a quest for work to pay rent to her sister and her husband, and takes a job running a machine in a shoe factory. Before long, however, she is shocked by the coarse manners of both the male and female factory workers, and the physical demands of the job, as well as the squalid factory conditions, begin to take their toll. She also senses Minnie and Sven's disapproval of her interest in Chicago's recreational opportunities, particularly the theater. One day, after an illness that costs her her job, she encounters Drouet on a downtown street. Once again taken by her beauty, and moved by her poverty, he encourages her to dine with him, where, over sirloin and asparagus, he persuades her to leave her sister and move in with him. The next day, he rebuffs her feeble attempts to return the money, taking her shopping at a Chicago department store and securing a jacket she covets and some shoes. That night, she writes a good-bye note to Minnie and moves in with Drouet.

Sister Carrie Jul 15 2022 Theodore Dreiser's first and perhaps most accessible novel, *Sister Carrie* is an epic of urban life - the story of an innocent heroine adrift in an indifferent city. When small-town girl Carrie Meeber sets out for Chicago, she is equipped with nothing but a few dollars, a certain unspoiled beauty and charm, and a pitiful lack of preparation for the complex moral choices she will face.

Under the Gaslight Mar 19 2020

The Debate on the Constitution Part 1: Federalist and Antifederalist Speeches Aug 16 2022 Here, on a scale unmatched by any previous collection, is the extraordinary energy and eloquence of our first national political campaign: During the secret proceedings of the Constitutional Convention in 1787, the framers created a fundamentally new national plan to replace the Articles of Confederation and then submitted it to conventions in each state for ratification. Immediately, a fierce storm of argument broke. Federalist supporters, Antifederalist opponents, and seekers of a middle ground strove to balance public order and personal liberty as they praised, condemned, challenged, and analyzed the new Constitution Gathering hundreds of original

texts by Franklin, Madison, Jefferson, Washington, and Patrick Henry—as well as many others less well known today—this unrivaled collection allows readers to experience firsthand the intense year-long struggle that created what remains the world's oldest working national charter. Assembled here in chronological order are hundreds of newspaper articles, pamphlets, speeches, and private letters written or delivered in the aftermath of the Constitutional Convention. Along with familiar figures like Franklin, Madison, Patrick Henry, Jefferson, and Washington, scores of less famous citizens are represented, all speaking clearly and passionately about government. The most famous writings of the ratification struggle — the Federalist essays of Hamilton and Madison — are placed in their original context, alongside the arguments of able antagonists, such as "Brutus" and the "Federal Farmer." Part One includes press polemics and private commentaries from September 1787 to January 1788. That autumn, powerful arguments were made against the new charter by Virginian George Mason and the still-unidentified "Federal Farmer," while in New York newspapers, the Federalist essays initiated a brilliant defense. Dozens of speeches from the state ratifying conventions show how the "draft of a plan, nothing but a dead letter," in Madison's words, had "life and validity...breathed into it by the voice of the people." Included are the conventions in Pennsylvania, where James Wilson confronted the democratic skepticism of those representing the western frontier, and in Massachusetts, where John Hancock and Samuel Adams forged a crucial compromise that saved the country from years of political convulsion. Informative notes, biographical profiles of all writers, speakers, and recipients, and a detailed chronology of relevant events from 1774 to 1804 provide fascinating background. A general index allows readers to follow specific topics, and an appendix includes the Declaration of Independence, the Articles of Confederation, and the Constitution (with all amendments).

Study Guide to Sister Carrie by Theodore Dreiser May 13 2022 A comprehensive study guide offering in-depth explanation, essay, and test prep for Theodore Dreiser's *Sister Carrie*, known by many to be the greatest of the American urban novels. As a novel of the turn of the 20th Century, *Sister Carrie* moved away from Victorian era values and towards naturalism, realism, and instincts of human thought and behavior. Moreover, this first novel introduces readers to a common theme Dreiser addresses: the individual against universal forces. This Bright Notes Study Guide explores the context and history of Dreiser's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their

understanding by including essay questions and answers as well as topics for further research. Sister Carrie, by Theodore Dreiser (Author) Jul 23 2020 Regarded by many critics as the greatest novel on urban life ever composed, *Sister Carrie* tells the story of Caroline Meeber, an 18-year-old from rural Wisconsin whose new life in Chicago takes her on an astonishing journey from the despairing depths of industrial labor to the staggering heights of fame and stardom. Representing the transition from the heavy moralizing of the Victorian era to the realism of modern literature, *Sister Carrie* remains a literary milestone that examines the human condition and all its flaws.

Sister Carrie Nov 19 2022 The story of a young woman from Wisconsin who goes to Chicago, becomes an actress, marries and moves to New York, and when her husband loses his job, returns to the stage.

Twelve Men Jun 14 2022 "In 1919, having recently accepted the publishing contract of a new publisher, Dreiser proposed to publish a "book of characters" that would collect twelve biographical sketches of individuals who were major influences on Dreiser, both as a man and as a writer. The resulting narratives combine the best attributes of the character sketch, the autobiography, and the short story into miniature masterpieces of prose. The men profiled in *Twelve Men* are a diverse and colorful group: from Dreiser's equally famous brother, the song-writer Paul Dreiser's ("My Brother Paul"), to the entirely obscure railroad foreman Michael Burke ("The Mighty Rourke"), on whose work crew Dreiser had labored in 1903. The twelve narratives are compelling portraits of the men portrayed, but they also reveal many insights into Dreiser's own life and work."--Goodreads website.

Theodore Dreiser's *Sister Carrie* Mar 31 2021

Sister Carrie Dec 20 2022 A teenage girl without money or connections leaves her small town in search of a better life in Dreiser's revolutionary first novel. The chronicle of Carrie Meeber's rise from obscurity to fame -- and the effects of her progress on the men who use her and are used in turn -- aroused much controversy upon its debut in 1900.

Sister Carrie, by Sep 24 2020 *Sister Carrie* (1900) is a novel by Theodore Dreiser about a young country girl who moves to the big city where she starts realizing her own American Dream, first as a mistress to men that she perceives as superior, and later becoming a famous actress. It has been called the "greatest of all American urban novels. Dissatisfied with life in her rural Wisconsin home, 18-year-old Caroline "Sister Carrie" Meeber takes the train to Chicago, where her older sister Minnie, and Minnie's husband, Sven Hanson, have agreed to take her in. On the train, Carrie meets Charles Drouet, a traveling salesman, who is attracted to her because of her simple beauty and unspoiled manner. They exchange contact information, but upon discovering the "steady round of toil" and somber atmosphere at her sister's flat, she writes to Drouet and discourages him from calling on her there

Jennie Gerhardt Aug 24 2020 Jennie Gerhardt was Theodore Dreiser's second novel and his first true commercial success. Today it is generally regarded as one of his three best novels, along with *Sister Carrie* and *An*

American Tragedy. But the text of Jennie Gerhardt heretofore known to readers is quite different from the text as Dreiser originally wrote it. In the tradition of the University of Pennsylvania Dreiser Edition, James L. W. West III has recaptured the text as it was originally written, restoring it to its complete, unexpurgated form. As submitted to Harper and Brothers in 1911, Jennie Gerhardt was a powerful study of a woman tragically compromised by birth and fate. Harpers agreed to publish the book but was nervous about its subject matter and moral stance. Jennie has an illegitimate child by one man and lives out of wedlock with another - but Dreiser does not condemn her for her behavior. As a requirement for publication, Harpers insisted on cutting and revising the text. Although Dreiser fought against many of the cuts and succeeded in restoring some material, Harpers shortened the text by 16,000 words and completely revised its style and tone. These changes ultimately transformed Jennie Gerhardt from a blunt, carefully documented work of social realism to a touching love story merely set against a social background. Passages critical of organized religion and of the institution of marriage were reduced and altered. Perhaps most important, Jennie's point of view - her innate romantic mysticism - was largely edited out of the text. As a consequence, the central dialectic of the novel was skewed and the narrative thrown out of balance.

The Influence of the City on the Development of the Main Characters in Dreiser's *Sister Carrie*

Jan 17 2020 Seminar paper from the year 2011 in the subject American Studies - Literature, language: English, abstract: With *Sister Carrie* Theodore Dreiser made his debut as an author in 1900. The novel tells the story of a young country woman, Carrie, who moves firstly to Chicago and later to New York to forge ahead. Actually, Carrie and Hurstwood, her husband, are the main characters of the novel. But due to its prominence, the city can be seen as an additional character which influences the way of life of everything living in it. The novel's action takes place in three different cities: Chicago, Montreal and New York. Even though, the cities differentiate in some specifics, they all reflect the concept of city applied in literature. In *Sister Carrie* the city can be described as a seducer which influences the expectations of the characters (cf. Hussman 1983: 19) and therefore has a say in the biography of all its residents.

Chicago by the Book May 01 2021 Despite its rough-and-tumble image, Chicago has long been identified as a city where books take center stage. In fact, a volume by A. J. Liebling gave the Second City its nickname. Upton Sinclair's *The Jungle* arose from the midwestern capital's most infamous industry. The great Chicago Fire led to the founding of the Chicago Public Library. The city has fostered writers such as Nelson Algren, Saul Bellow, and Gwendolyn Brooks. Chicago's literary magazines *The Little Review* and *Poetry* introduced the world to Eliot, Hemingway, Joyce, and Pound. The city's robust commercial printing industry supported a flourishing culture of the book. With this beautifully produced collection, Chicago's rich literary tradition finally gets its due. *Chicago by the*

Book profiles 101 landmark publications about Chicago from the past 170 years that have helped define the city and its image. Each title—carefully selected by the Caxton Club, a venerable Chicago bibliophilic organization—is the focus of an illustrated essay by a leading scholar, writer, or bibliophile. Arranged chronologically to show the history of both the city and its books, the essays can be read in order from Mrs. John H. Kinzie's 1844 *Narrative of the Massacre of Chicago* to Sara Paretsky's 2015 crime novel *Brush Back*. Or one can dip in and out, savoring reflections on the arts, sports, crime, race relations, urban planning, politics, and even Mrs. O'Leary's legendary cow. The selections do not shy from the underside of the city, recognizing that its grit and graft have as much a place in the written imagination as soaring odes and boosterism. As Neil Harris observes in his introduction, "Even when Chicagoans celebrate their hearth and home, they do so while acknowledging deep-seated flaws." At the same time, this collection heartily reminds us all of what makes Chicago, as Norman Mailer called it, the "great American city." With essays from, among others, Ira Berkow, Thomas Dyja, Ann Durkin Keating, Alex Kotlowitz, Toni Preckwinkle, Frank Rich, Don Share, Carl Smith, Regina Taylor, Garry Wills, and William Julius Wilson; and featuring works by Saul Bellow, Gwendolyn Brooks, Sandra Cisneros, Clarence Darrow, Erik Larson, David Mamet, Studs Terkel, Ida B. Wells-Barnett, Frank Lloyd Wright, and many more.

Sister Carrie Feb 22 2023 "When a girl leaves home at eighteen, she does one of two things. Either she falls into saving hands and becomes better, or she rapidly assumes the cosmopolitan standard of virtue and becomes worse." With *Sister Carrie*, first published in 1900, Theodore Dreiser transformed the conventional "fallen woman" story into a genuinely innovative and powerful work of fiction. As he hurled his impressionable midwestern heroine into the throbbing, amoral world of the big city, he revealed, with brilliant insight, the deep and driving forces of American culture: the restless idealism, glamorous materialism, and basic spiritual innocence. *Sister Carrie* brought American literature into the twentieth century. This volume, which reprints the text Dreiser approved for publication during his lifetime and includes a special appendix discussing his earlier, unedited manuscript, is the original standard edition of one of the great masterpieces of literary realism. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Theodore Dreiser's Sister Carrie Oct 06 2021

Sister Carrie (Unabridged 1900 Edition)

May 21 2020 Dissatisfied with life in her rural Wisconsin home, 18-year-old Caroline "Sister Carrie" Meeber takes the train to Chicago,

where her older sister Minnie, and Minnie's husband, Sven Hanson, have agreed to take her in. On the train, Carrie meets Charles Drouet, a traveling salesman, who is attracted to her because of her simple beauty and unspoiled manner. They exchange contact information, but upon discovering the "steady round of toil" and somber atmosphere at her sister's flat, she writes to Drouet and discourages him from calling on her there. Carrie soon embarks on a quest for work to pay rent to her sister and her husband, and takes a job running a machine in a shoe factory. Before long, however, she is shocked by the coarse manners of both the male and female factory workers, and the physical demands of the job, as well as the squalid factory conditions, begin to take their toll. She also senses Minnie and Sven's disapproval of her interest in Chicago's recreational opportunities, particularly the theater. One day, after an illness that costs her her job, she encounters Drouet on a downtown street. Once again taken by her beauty, and moved by her poverty, he encourages her to dine with him, where, over sirloin and asparagus, he persuades her to leave her sister and move in with him. To press his case, he slips Carrie two ten dollar bills, opening a vista of material possibilities to her. The next day, he rebuffs her feeble attempts to return the money, taking her shopping at a Chicago department store and securing a jacket she covets and some shoes. That night, she writes a good-bye note to Minnie and moves in with Drouet. Drouet installs her in a much larger apartment, and their relationship intensifies as Minnie dreams about her sister's fall from innocence. She acquires a sophisticated wardrobe and, through his offhand comments about attractive women, sheds her provincial mannerisms, even as she struggles with the moral implications of being a kept woman. By the time Drouet introduces Carrie to George Hurstwood, the manager of Fitzgerald and Moy's - a respectable bar that Drouet describes as a "way-up, swell place" - her material appearance has improved considerably. Hurstwood, unhappy with and distant from his social-climbing wife and children, instantly becomes infatuated with Carrie's youth and beauty, and before long they start an affair, communicating and meeting secretly in the expanding, anonymous city. One night, Drouet casually agrees to find an actress to play a key role in an amateur theatrical presentation of Augustin Daly's melodrama *Under the Gaslight* for his local chapter of the Elks. Upon returning home to Carrie, he encourages her to take the part of the heroine. Unknown to Drouet, Carrie long has harbored theatrical ambitions and has a natural aptitude for imitation and expressing pathos. The night of the production - which Hurstwood attends at Drouet's invitation - both men are moved to even greater displays of affection by Carrie's stunning performance. The next day, the affair is uncovered: Drouet discovers he has been cuckolded, Carrie learns that Hurstwood is married, and Hurstwood's wife Julia learns from acquaintances that Hurstwood has been out driving with another woman and deliberately excluded her from the Elks theatre night...

Theodore Dreiser Oct 14 2019

Summer Jan 29 2021 SINCE her reinstatement in Miss Hatchard's favour Charity had not dared to curtail by a moment her hours of attendance at the library. She even made a point of arriving before the time, and showed a laudable indignation when the youngest Targatt girl, who had been engaged to help in the cleaning and rearranging of the books, came trailing in late and neglected her task to peer through the window at the Sollas boy.

Sister Carrie Sep 17 2022 Young Caroline Meeber leaves home for the first time and experiences work, love, and the pleasures and responsibilities of independence in late-nineteenth-century Chicago and New York.

Sister Carrie Dec 08 2021

Representation of the City in Theodore Dreiser's "Sister Carrie" Mar 11 2022 Seminar paper from the year 2014 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Erfurt, course: The City in American Literature (Reading Course), language: English, abstract: In this paper I intend to elaborate on the question of how the city is depicted in Theodore Dreiser's "Sister Carrie" including the characteristics Dreiser allocates to the city of Chicago and New York and the way of how the city influences Carrie's personality. All propositions provided will be based on my own perceptions and interpretations of different quotations from the text. A brief conclusion will sum up the results of this paper.

Sister Carrie Jul 03 2021 *Sister Carrie* (1900) is a novel by Theodore Dreiser. Controversial for its honest depiction of work, desire, and urban life, *Sister Carrie* has endured as a classic of naturalist fiction and remains a powerful example of social critique over a century after its publication. Despite poor reviews upon publication, the novel is now considered a landmark of American literature. Tired of the countryside, Carrie Meeber moves to Chicago to live with her older sister and her husband. On the train ride into the city, she meets an older man, a handsome traveling salesman named Charles Drouet. Despite their obvious attraction, she decides to focus on finding work in order to pay rent. Carrie struggles at a local factory and longs to pursue her interest in acting, but knows that her obligation to family requires she work diligently and without complaint. One day, she

encounters Charles on the street and joins him for lunch. He offers to take her in, suggesting that she need no longer worry about factory work or her sister, and remarking on her natural beauty and effortless charm. Soon, however, she strikes up a relationship with an unhappily married man, risking her stability with Charles and tying her fortunes to Hurstwood, who soon proves arrogant and manipulative. With a beautifully designed cover and professionally typeset manuscript, this edition of Theodore Dreiser's *Sister Carrie* is a classic of American literature reimagined for modern readers.

Sister Carrie Nov 26 2020 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About *Sister Carrie* by Theodore Dreiser *Sister Carrie* (1900) is a novel by Theodore Dreiser about a young country girl who moves to the big city where she starts realizing her own American Dream, first as a mistress to men that she perceives as superior, and later becoming a famous actress. Sister Carrie Jan 21 2023

McTeague Nov 14 2019 A couple's life and love are destroyed when they win the lottery in this tragic tale of turn-of-the-century San Francisco. McTeague and Trina are in love, and with the modest income from McTeague's dentistry office, their needs are few. But when Trina wins a small fortune from a lottery ticket, jealousy and distrust begin to unravel their happy home. As tension erupts between McTeague and Trina's cousin Marcus, Trina's impulse to save her winnings slowly gives way to a pathological obsession with hoarding money. Betrayed and destitute, the couple embarks on a journey down a path of violence, theft, and murder. Considered transgressive for its brutality and sordid subject matter upon first publication in 1899, *McTeague* has since served as the basis for the films *Greed* (1924) by Erich von Stroheim and *Slow Burn* (2000), starring Minnie Driver and James Spader. Widely acclaimed as Frank Norris's masterpiece, the novel was hailed as "a literary masterpiece" by the *New York Times*. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Clementine Classics: Sister Carrie by Theodore Dreiser Jun 02 2021 Snarky yet lovable Clementine the Hedgehog takes on the classics starting with *Sister Carrie* by Theodore Dreiser

Sister Carrie by Jun 21 2020 When a girl leaves her home at eighteen, she does one of two things. Either she falls into saving hands and becomes better, or she rapidly assumes the cosmopolitan standard of virtue and becomes worse.' The tale of Carrie Meeber's rise to stardom in the theatre and George Hurstwood's

slow decline captures the twin poles of exuberance and exhaustion in modern city life as never before. The premier example of American naturalism, Dreiser's remarkable first novel has deeply influenced such key writers as William Faulkner, F. Scott Fitzgerald, Saul Bellow, and Joyce Carol Oates. This edition uses the 1900 text, which is regarded as the author's final version *Sister Carrie* (1900) is a novel by Theodore Dreiser about a young country girl who moves to the big city where she starts realizing her own American Dream, first as a mistress to men that she perceives as superior, and later becoming a famous actress. It has been called the "greatest of all American urban novels"

Selected works of Theodore Dreiser Oct 26

2020 Selected works of Theodore Dreiser from the series "Best of the Best" is the book that everyone should read to understand themselves and each other. The authors and works for this book series were selected, as a result of numerous studies, analysis of the texts over the past 100 years and the demand for readers. It must be read in order to understand the world around us, its history, to recognize the heroes, to understand the winged expressions and jokes that come from these literary works. Reading these books will mean the discovery of a world of self-development and self-expression for each person. These books have been around for decades, and sometimes centuries, for the time they recreate, the values they teach, the point of view, or simply the beauty of words. This volume of the Best of the Best series includes famous works *SISTER CARRIE* *JENNIE GERHARDT* *THE FINANCIER* *THE TITAN* *THE STOIC* *THE GENIUS* *AN AMERICAN TRAGEDY* *TWELVE MEN*

Carrie Sep 05 2021 Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Theodore Dreiser - Sister Carrie Apr 19 2020 Theodore Herman Albert Dreiser was born on August 27th, 1871 in Terre Haute, Indiana, the twelfth of thirteen children, and the ninth of the ten to survive, all of whom were raised as Catholics. Dreiser had literary hopes and he was soon working as a journalist for the Chicago Globe newspaper and then moved to the St. Louis Globe-Democrat. He wrote several well-regarded articles on writers such as Nathaniel Hawthorne, William Dean Howells, Israel Zangwill, John Burroughs, and also interviewed many highly renowned public figures such as Andrew Carnegie, Marshall Field, Thomas Edison, and Theodore Thomas. After marrying Sara Osborne White in

December 1898, the Dresiers stayed with Arthur Henry and his wife in Toledo, Ohio. There Dreiser began work on his first novel, *Sister Carrie*, published in 1900. It's controversial themes perhaps explain why, at the time, it sold poorly. Since then, over the ensuing decades, it has become highly-regarded and been called the "greatest of all American urban novels." Dreiser's first commercial success was *An American Tragedy*, published in 1925. Its gestation had started way back in 1892, when Dreiser first began work as a newspaperman, he had begun "to observe a certain type of crime in the United States that proved very common. It seemed to spring from the fact that almost every young person was possessed of an ingrown ambition to be somebody financially and socially." "Fortune hunting became a disease." Over the years Dreiser had become more politically and socially active. Certainly, in matters of religion he had now become an atheist. He often engaged in fighting against censorship, especially as his books did not reflect the current social mores. Dreiser was a committed socialist and wrote several nonfiction books on political issues. These included *Dreiser Looks at Russia* (1928), the result of his 1927 trip to the Soviet Union. After the Second World War Dreiser joined the Communist Party USA in August 1945. Although less politically radical friends, such as H. L. Mencken, spoke of Dreiser's relationship with communism as an "unimportant detail in his life, these seems at variance with his actual activities. Theodore Herman Albert Dreiser died on December 28, 1945, in Hollywood, California, of heart failure, at the age of 74.

Theodore Dreiser's 'dual approach' to nature and the city in "Sister Carrie" Feb 27 2021
Studienarbeit aus dem Jahr 2011 im Fachbereich Amerikanistik - Literatur, Universität Erfurt, Veranstaltung: Reading Course: City and Literature, Sprache: Deutsch, Abstract: According to Giles, Theodore Dreiser's *Sister Carrie* set the 'model' for the "dual approach" (24) to the literary description of the city: "From the beginning [with Dreiser's *Sister Carrie*], the diverse body of American urban fiction has projected a dual response to the city as the embodiment of fascination and promise

and as a corrupt, even brutal landscape" (ibid. 35). Giles uses the term 'dual approach' to point out that the authors of most 'city novels' attribute both positive and negative characteristics to the city. While some of them "emphasize one half of this dichotomy over the other" (ibid. 24), Theodore Dreiser's 'approach' to the description of the city in *Sister Carrie* clearly is of a 'dual' nature, as he describes positive and negative attributes of the metropolis. Similarly, his approach to nature is also a dual one.

Sister Carrie, Theodore Dreiser's Sociological Tragedy Nov 07 2021 "Theodore Dreiser's *Sister Carrie* (1900) broke new literary ground in a number of ways. Its graphic documentary style, urban setting, and concern with economic and sociological issues set it apart from popular fiction of the period. In his characteristically detailed and awkwardly methodical style, Dreiser crafted characters and situations that dramatize the forces of economic necessity, social censure, and urban anonymity. Set in turn-of-the-century Chicago and New York, the novel explores the life of Carrie Meeber, a poor rural woman whose naivete and poverty make her an ideal target for the dangers of urban life. Dreiser depicts the dilemma created by Carrie's desire to succeed and find security in a morally and financially compromised society that lures her with its glitter." "David E. E. Sloane's study proposes that Dreiser's sociological tragedy uses the details of the cityscape and the lives of its urban characters to build a drama in which none of the characters are able to achieve real happiness. Sloane demonstrates how Dreiser used themes already of concern to his readers but managed them in ways that challenged the moral and sexual assumptions of the day. Sloane's thesis is that the novel addresses economic inequality by showing that even in the poor and inarticulate like Carrie Meeber there are physical and spiritual drives that need expression but that are repressed by social mores. The study offers a detailed examination of how Dreiser's stylistic and structural choices are perfectly suited to his material, and shows how the novel forged the way for other socially conscious works in the twentieth-century."--
