Another fantastic and genuine teen portrayal

from Chris Higgins - telling you straight! From much loved author Chris Higgins and acclaimed illustrator Emily MacKenzie comes a charming new young fiction series about friendship. Bella has just moved into a new house. It's old and dark and she's sure there's a ghost in the attic! But things look up when she meets her new next-door neighbour Magda. Magda is lots of fun! She's bubbly and full of imagination and can even turn cartwheels! Soon they are best friends. But Magda is also trouble! She breaks Bella's mum's best tea set, wrecks Bella's room and covers the whole living room in soot. And somehow makes sure Bella gets the blame for everything. Bella is going to have watch out because there's Trouble Next Door! Are you tired of people knowing who you are but no one really knowing you? As the star of the twentieth season of The Bachelor, Ben Higgins looked like he had it all together. Instead, Ben felt dissatisfied, fearful, and deeply alone. Like so many of us, he thought of himself as the kid who never got picked for the game, the person always on the outside of the joke, the friend who knew a lot of people but was never truly known. He wondered if he mattered at all. In Alone in Plain Sight, Ben vulnerably shares how he found authentic

connection with himself, with others, and with God. As Ben helps us name our own yearning for meaning, he explores ways to understand ourselves more deeply so that we are free to connect with others; how shared pain can bridge even the widest gaps between two very different people; why we must deconstruct our culture's fairy-tale view of love; and how the God who longs for relationship with us is the answer to our need for connection. As Ben discovered, in a disconnected world, it is still possible to have lasting purpose and peace. You are already known. You are already loved. You are already seen. Discover how to live out how much you matter as you embrace the true meaning of your one incredible life.

**HOW MANY OF THESE DATING RULES HAVE YOU BROKEN?**

1. Choose Your Own Man
2. Make Sure Your Friends Approve
3. No One-Night Stands
4. Trust Your Instincts
5. Never Make the Same Mistake Twice
6. After a Break-Up, Wait Six Months Before Dating Again.

Dhara, Kelly, Marta, and Wendy have been the closest of friends since college. So close, that after a series of romantic disasters, they bond together to create Rules of Relationships to keep their hearts safe. Years later, the rules seem to have worked . . . until

Marta discovers that her hot boyfriend is married, Kelly begins a risky love affair, Wendy inches closer to a pre-marital infidelity, and, most shocking of all, Indian-American Dhara suddenly agrees to an arranged marriage. Hearts are about to be broken and the bonds of friendship are tested. Is it possible to find true love, when you're breaking all the rules? Jess seems to have it all. She has a gorgeous boyfriend, Muggs, landed the lead in the school play and her best friend Ali will always stick by her. She even gets on well with her older sister! Then her mum is diagnosed with breast cancer and Jess's world is turned upside down. No one seems to understand what she's going through. Muggs is too busy with the play, her dad is never around to talk to and all of a sudden Ali is avoiding her. Jess soon starts to realise that maybe having it all isn't what really matters and maybe the people you thought you could depend on aren't the ones to trust. Dear Reader, Kitchen Privileges is a book that I feel as though I have been writing ever since I was twelve years old. In these pages, I've tried to show how my mother's belief in me kept alive my dream to be a writer. My father's early death left her with three young children to support. A generation later my

husband's early death left me in exactly that position except that I had five children. Mother supported us by renting rooms, allowing our paying guests to have the privilege of preparing light meals in the kitchen. I supported my family by writing radio shows. Very early in the morning I put my typewriter on the kitchen table before I went to work in Manhattan and spent a few privileged and priceless hours working on my first novel. I have found that dreams do come true, and I hope that anyone reading this book may feel encouraged to follow his or her own dreams even when the odds against achieving them seem great. The third book in the popular The Secrets Club series by author Chris Higgins, for pre-teen girls. The Secrets Club - Alice, Tash, Dani and Lissa in their first year at secondary. These girls are forging new friendships, facing fears and finding their way. Should they keep their secrets or share them with each other? In the first two books, Alice and Tash fessed up. Now it's Dani's turn. Should she admit to her friends that every weekend she plays football with a group of boys who don't even know she's a girl?! 'This book should be prescribed for all girls about to leave the safety of primary school, for reassurance, for information, and most of all-for

fun!' [thebookbag.co.uk](http://thebookbag.co.uk) on The Secrets Club:  
Alice in the Spotlight 'A lively and engaging story  
about friendship' [Chicklish.co.uk](http://Chicklish.co.uk) on The Secrets  
Club: Alice in the Spotlight His smile faded and  
our eyes held and that's when it happened. A  
charge passed through me, like an electric  
shock. Anna meets Jem when her life is falling  
apart. He is everything Anna needs him to be.  
Her dad may have run off with a younger  
woman, her mum may be a wreck and her  
younger sister, Livi, is swerving off the rails - but  
as long as she has Jem, Anna will be OK. And for  
the first time in her life Anna falls. Deeply and  
truly and intensely in love. The end? Not quite...  
One boy stranded at sea. One girl back on land.  
One ocean between them. The only thing willing  
him to survive is the thought of her. A romance  
with bite, perfect for fans of Jandy Nelson and  
Nicola Yoon. Sometimes you have to lose  
yourself, to find each other. Kai has always been  
best friends with Jen; ever since he and his mum  
moved to Cornwall when he was small. But now  
his feelings are deepening. It's ridiculous to  
imagine Jen would feel the same, especially since  
she has been hanging out with surf-pro Macca,  
the guy everyone fancies. Frustrated by his  
feelings, Kai makes a snap decision that will put

his life in great danger. Stranded at sea, time is running out. With only his thoughts to occupy him, he must face some buried truths about his past. And confront his future with the girl back on shore, if he can reach it ... if the ocean doesn't take him first. Eva wants to be the best at everything, but when family secrets threaten to come out, the cracks begin to show in her perfect life. Another fantastic, genuine portrayal of teen life from Chris Higgins. In his first paperback for HarperCollins, master storyteller Jack Higgins displays all his customary skills in a heart-pounding adventure with a less familiar setting - 19th-century rural Ireland - and featuring a swashbuckling new hero. Another fantastic and genuine teen portrayal from Chris Higgins - telling you straight! Read along! Readers will twist and shout for this headbanging companion to the #1 New York Times best-selling *We Don't Eat Our Classmates*. Penelope is a T. rex, and she's very good at it. She also likes to rock out on guitar! With the school talent show coming up, Penelope can't wait to perform for her classmates. But sharing who you are can be show-stoppingly scary, especially when it's not what people expect. Will Penelope get by with a little help

from her friends? Another fantastic and genuine teen portrayal from Chris Higgins - telling you straight! Jaime never wanted to go on the school exchange trip to Spain in the first place. She finds life awkward enough as it is and, because of her embarrassing blushing habit, she tries to avoid drawing attention to herself. Living in someone else's home, and in a foreign country, is way out of her comfort zone! But she reluctantly has agreed to stay with the carefully selected and colourfully-named Concepción Inmaculada. After all, a girl named after the Virgin Mary has got to be quiet, kind and gentle ... Wrong! Concha is a scary, rebellious, boy-mad loner with a mind of her own. Jaime is going to have to be prepared for anything and everything! Olé! Bella is going to visit a farm! Tom and Kizzy have invited her to spend the day at their place. She'll get to meet the cows, play with Fetch the dog, see the big red tractor and pick raspberries with her new friends. But at the last minute, someone else comes to the farm too - Magda! Before she knows it, Bella's visit turns into a tractor-crash involving runaway farm animals, too many pasties, an unexpected wedding and lots and lots of cow poo! With laugh-out-loud funny writing by Chris Higgins and delightful illustrations by the

award-winning Emily MacKenzie, this series is perfect for fans of Kes Gray's Daisy books and the classic *My Naughty Little Sister*. Randa Abdel-Fattah's new novel about about finding your place in life . . . and learning to accept yourself and your culture. "At school I'm Aussie-blondie Jamie -- one of the crowd. At home I'm Muslim Jamilah -- driven mad by my Stone Age dad. I should win an Oscar for my acting skills. But I can't keep it up for much longer..." Jamie just wants to fit in. She doesn't want to be seen as a stereotypical Muslim girl, so she does everything possible to hide that part of herself. Even if it means pushing her friends away because she's afraid to let them know her dad forbids her from hanging out with boys or that she secretly loves to play the darabuka (Arabic drums).

**INTRODUCING THE SECRETS CLUB:** Alice, Tash, Dani and Lissa "It's OK. We're the Gang of Four, remember? The No-Secrets Club.' Her stern face softens into her familiar smile and my world lights up again. Briefly. But soon the cloud comes back. I have got a secret. A big one. I want to tell my friends, I really do. But the longer I keep it hidden the harder it is to do . . . '

Join the girls in *The Secrets Club* series as they begin their new lives at Riverside Academy;

making friends, facing their fears and choosing which secrets they share . . . Charlotte doesn't want a lot - just to play rugby and for her dad to be proud of her. But her brother Will is the rugby star of the family, only he's got very different stars in his eyes. Soon they're both keeping secrets and so is their mum! Plus Gran is acting stranger and stranger... It also doesn't help that her sworn enemy is the one boy she can't stop thinking about... Good thing she's known as Spider. She'll need all the help she can get to untangle this web! "I TOLD YOU NOT TO COME..." Slipped under the door of her Georgetown home, the note was an ominous reminder of Pat Traymore's past. The beautiful young television journalist had come to glamorous, high-powered Washington to produce a TV series. Her subject: Senator Abigail Jennings, slated for nomination as the first woman vice president of the United States. With the help of an old flame, Congressman Sam Kingsley, Pat delves into Abigail's life, only to turn up horrifying facts that threaten to destroy senator's reputation and her career. Worse still, sinister connections to Pat's own childhood and the nightmare secrets hidden within are surfacing -- secrets waiting to destroy her. A

TODAY SHOW BEST ROMANCE PICK FROM NEW YORK TIMES BESTSELLING AUTHOR JASMINE GUILLORY “In a romance featuring Black joy, plus-sized beauty, and Mexican pride, the conflicts are entirely believable, and not overly dramatic, and make for a thoroughly enjoyable read. It is fake dating at its best.”

—Library Journal, starred review. D’Vaughn and Kris have six weeks to plan their dream wedding. Their whole relationship is fake. Instant I Do could be Kris Zavala’s big break. She’s right on the cusp of really making it as an influencer, so a stint on reality TV is the perfect chance to elevate her brand. And \$100,000 wouldn’t hurt, either. D’Vaughn Miller is just trying to break out of her shell. She’s sort of neglected to come out to her mom for years, so a big splashy fake wedding is just the excuse she needs. All they have to do is convince their friends and family they’re getting married in six weeks. If anyone guesses they’re not for real, they’re out. Selling their chemistry on camera is surprisingly easy, and it’s still there when no one else is watching, which is an unexpected bonus. Winning this competition is going to be a piece of wedding cake. But each week of the competition brings new challenges, and soon the prize money’s not

the only thing at stake. A reality show isn't the best place to create a solid foundation, and their fake wedding might just derail their relationship before it even starts. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters. It's a tight squeeze as usual in the Butterfield house, and with baby Will's stuff taking up all the room it's getting even worse. Lucinda's house has ten times more room for her family than the squished Butterfields have! Mattie's Worry List gets bigger when Mum seems to be unhappy, and wants to move house. But moving house would mean moving schools - Mattie's worst Worry List come true! When Flick's dad discovers that he's adopted, so begins a mystery that leads him to a long lost secret at the very heart of their family - one that leads back to a choice that was made many years ago, and once uncovered, will rock Flick's world ...

Jaime never wanted to go on the school exchange trip to Spain in the first place. Now she finds herself staying with Concepcin Inmaculada, a scary, rebellious, boy-mad loner with a mind of her own. Jaime is going to have to be prepared for anything and everything! Ole! 'My boyfriend could get into trouble if he gets caught. He could go to jail.' I moan softly. 'So could I.' 'Anything you tell me is completely confidential.' I sigh deeply. What have I got to lose? 'I wouldn't know where to begin.' 'At the beginning?' she says. 'In your own words.' So that's what I do. I start at the beginning like she says. The day I met Suzie. Indigo (Indie) rings the Samaritans. She is frightened and desperate with no one to turn to. Over the course of one long night, Indie tells her story to the person on the end of the phone. She realises that her friend Suzie has taken over her home, her friends, her work, her boyfriend - and

her life. After every few chapters we are brought back to the present moment, and see how piecing the story together helps Indie progress towards resolution. Tash tries to keep her home life secret from her friends as her mother struggles to cope with looking after her family and holding down three jobs whilst suffering ill health. Cult graphic novelist Dylan Meconis offers a rich reimagining of history in this beautifully detailed hybrid novel loosely based on the exile of Queen Elizabeth I by her sister, Queen Mary. When her sister seizes the throne, Queen Eleanor of Albion is banished to a tiny island off the coast of her kingdom, where the nuns of the convent spend their days peacefully praying, sewing, and gardening. But the island is also home to Margaret, a mysterious young orphan girl whose life is upturned when the cold, regal stranger arrives. As Margaret grows closer to Eleanor, she grapples with the revelation of the island's sinister true purpose as well as the truth of her own past. When Eleanor's life is threatened, Margaret is faced with a perilous choice between helping Eleanor and protecting herself. In a hybrid novel of fictionalized history, Dylan Meconis paints Margaret's world in soft greens, grays, and reds, transporting readers to

a quiet, windswept island at the heart of a treasonous royal plot. The President is coming to London, but not to an entirely warm welcome. A fanatical mullah is offering a blessing to anyone who will assassinate the President, and though most London Muslims think the mullah has crossed the line, a few think otherwise. Urgently, Sean Dillon, General Charles Ferguson, and the rest of the small band known as the "Prime Minister's private army" are called in, augmented by an extraordinary new recruit, an intelligence captain and Afghan war hero named Sara Gideon. She has her own deep contacts, but the more she investigates, the more she discovers herself in a very dark place indeed. For the assassination plan is only the beginning... "Death is the midnight runner." - Arab proverb Higgins' last novel, *Edge of Danger*, was "hugely entertaining," said the Los Angeles Times. "The publisher describes it as a powerful thriller, and it's no lie." At its end, the murderous Arab/English Rashid family lay decimated - but not extinct. And that may have been Sean Dillon's fatal error. Her brothers killed one by one, Kate Rashid swears vengeance on all who have harmed her family. Never mind that they tried to assassinate the President of the United

States, that villainy ran in their veins. They were her brothers, and her enemies would pay. British agent Sean Dillon...White House operative Blake Johnson...the President himself...their time was coming, and only she knew how - or when. Brilliantly suspenseful, *Midnight Runner* is further proof that, in the words of the Associated Press, "when it comes to thriller writers, one name stands well above the crowd - Jack Higgins." A brilliantly original, landmark retelling of Greek myths, recounted as if they were actual scenes being woven into textiles by the women who feature prominently in them—including Athena, Helen, Circe and Penelope "Greek myths were full of powerful witches, unpredictable gods and sword-wielding slayers. They were also extreme: about families who turn murderously on each other; impossible tasks set by cruel kings; love that goes wrong; wars and journeys and terrible loss. There was magic, there was shape-shifting, there were monsters, there were descents to the land of the dead. Humans and immortals inhabited the same world, which was sometimes perilous, sometimes exciting. "The stories were obviously fantastical. All the same, brothers really do war with each other. People tell the truth but aren't believed.

Wars destroy the innocent. Lovers are parted. Parents endure the grief of losing children. Women suffer violence at the hands of men. The cleverest of people can be blind to what is really going on. The law of the land can contradict what you know to be just. Mysterious diseases devastate cities. Floods and fire tear lives apart. “For the Greeks, the word *muthos* simply meant a traditional tale. In the twenty-first century, we have long left behind the political and religious framework in which these stories first circulated—but their power endures. Greek myths remain true for us because they excavate the very extremes of human experience: sudden, inexplicable catastrophe; radical reversals of fortune; and seemingly arbitrary events that transform lives. They deal, in short, in the hard, basic facts of the human condition.” —from the Introduction

Caught between family life and school, Gabby's trials never seem to end ... If she's not dealing with her outrageously embarrassing mother Posy, or helping out with her troubled brothers at home, she's pursuing school hearthrob, Si, and making enemies of friends. Life seems tough enough ... but then her older-than-average mother announces that she's pregnant and Gabby's world turns upside down.

At first Gabby is determined to have nothing to do with the unexpected arrival. Then the baby arrives, bringing complete chaos, and Gabby's family start unravelling around her ... Can Gabby's strength and will pull her through her hardest challenge yet? *The Good Life of Teaching* extends the recent revival of virtue ethics to professional ethics and the philosophy of teaching. It connects long-standing philosophical questions about work and human growth to questions about teacher motivation, identity, and development. Makes a significant contribution to the philosophy of teaching and also offers new insights into virtue theory and professional ethics Offers fresh and detailed readings of major figures in ethics, including Alasdair MacIntyre, Charles Taylor, and Bernard Williams and the practical philosophies of Hannah Arendt, John Dewey and Hans-Georg Gadamer Provides illustrations to assist the reader in visualizing major points, and integrates sources such as film, literature, and teaching memoirs to exemplify arguments in an engaging and accessible way Presents a compelling vision of teaching as a reflective practice showing how this requires us to prepare teachers differently

Mattie is nine years old and she worries about

everything. Which isn't surprising. Because when you have a family as big and crazy as hers, there's always something to worry about. Will the seeds she's planted in the garden with her brothers and sisters grow into fruit and veg like everyone promised? Why does it seem as if Grandma doesn't like them sometimes? And what's wrong with Mum? Fortunately, reassurance is always close to hand in this first winning story about the lovable Butterfield clan. Starting all over again in a new town can be hard enough but with Dad not around anymore, her Mum on the verge of a breakdown and a kid sister to look after - Kally's life is suddenly full of secrets. When the gorgeous Jem skates into Kally's life and sweeps her off her feet, things finally seem to be going right. But she and Jem grow closer, Kally discovers there's more than one side to him and that she's not the only one with things to hide. Soon her life is spinning out of control... Meet The Secrets Club. This is the second book in a highly collectable new series by bestselling author Chris Higgins; perfect for fans of Jacqueline Wilson and Karen McCombie. Tash, Alice, Danni and Lissa are in their first year at Riverside Academy, making new friends, facing their fears and sharing their secrets. In the first

book, *Alice in the Spotlight*, we discovered Alice's secret. Now it's Tash's turn. Tash wants to tell her friends the truth about what's happening in her life. It would explain why she's struggling to be in the right place at the right time. But she's promised someone very important that she won't ...

“A completely excellent guide to Greek poetry, drama, philosophy, history and culture. Philip Pullman has said that he would put it into every school and every teacher-training course and I’d echo that. . . . Highly entertaining as well as informative.” —A.N. Wilson, *Evening Standard*

An informative, smart, and amusing narrative about how influential Greeks and Greek culture have been on the rest of the world, from art and architecture to literature, politics, and love. Why are some laws Draconian? What is an Achilles heel? Why were the Spartans Spartan? Charlotte Higgins answers all these questions and more in this indispensable guide to the greatest civilization the world has ever known. Consider the way we think: about right and wrong, about the nature of beauty, goodness, and truth. About what, in the end, it is to be a human being amid the immensity of the universe. What it is to be mortal, to live for a brief while, and die. All this

we have learned from the ancient Greeks. They molded the basic disciplines and genres in which we still organize thought: from poetry to drama, from politics to philosophy, from history to medicine, and even ethnography. Packed with useful facts - history timelines; mythology for dummies; even a map for those who struggle to know their Lemnos from their Lesbos - *It's All Greek To Me* is a guide in one sense, but it is also so much more. This book aims to unlock the richness of this fascinating culture and to place it where it should be, in the mainstream of life.

Starting all over again in a new town can be hard enough but with Dad not around anymore, her Mum on the verge of a breakdown and a kid sister to look after - Kally's life is suddenly full of secrets. When the gorgeous Jem skates into Kally's life and sweeps her off her feet, things finally seem to be going right.
