His throat was slit with the blade of a hunting knife... In this short story from the thrilling anthology MatchUp, bestselling authors J.A. Jance and Eric Van Lustbader—along with their popular series characters Ali Reynolds and Bravo Shaw—team up for the first time ever. When the phone rings in the middle of the night, child psychologist Alex Delaware does not hesitate. Driving through the dream-lit San Fernando Valley, Alex rushes to Jamey Cadmus, the patient he had failed five years before—and who now calls with a bizarre cry for help. But by the time Alex reaches Canyon Oaks Psychiatric Hospital, Jamey is gone, surfacing a day later in the hands of the police, who believe Jamey is the infamous Lavender Slasher, a psychotic serial killer. Wooed by a high-powered attorney to build a defense, Alex will get a chance to do what he couldn't five years ago. And when he peers into a family's troubled history and Jamey's brilliant, tormented mind, the psychologist puts himself at the heart of a high-profile case. Because Alex knows that in a realm of money, loss, and madness, something terrible pushed Jamey over the edge—or else someone is getting away with murder. "J.A. Jance does not disappoint." —Washington Times The Chattanooga Times calls New York Times bestselling author J.A. Jance, "One of the best—if not the best," and this classic suspense masterwork featuring Seattle investigator J.P. Beaumont emphatically proves the point. In *Taking the Fifth*, a gruesome and very unusual murder plunges the intrepid Beau into a lethal cinematic nightmare. Michigan's Flint Journal places Jance "in the elite company of Sue Grafton and Patricia Cornwell." *Taking the Fifth*, now in a Premium Plus edition, is an ideal opportunity for fans of the author's Sheriff Joanna Brady books to discover another side to the incomparable J.A. Jance. Sheriff Joanna Brady's best intentions to stay on maternity leave take a hit when a serial homicide case rocks Cochise County, dragging her into a far-reaching investigation to bring down a relentless killer in this chilling tale of suspense from New York Times bestselling author J. A. Jance. This time Sheriff Joanna Brady may expect to see her maternity leave through to completion, but the world has other plans when a serial homicide case surfaces in her beloved Cochise County. Rather than staying home with her newborn and losing herself in the cold cases to be found in her father's long unread diaries, Joanna instead finds herself overseeing a complex investigation involving multiple jurisdictions. Filled with the beloved characters, small town charm, vivid history, intriguing mystery, and the scenic Arizona desert backdrop that have made the Joanna

Brady series perennial bestsellers, this latest entry featuring the popular sheriff is sure to please J. A. Jance's legion of fans. The murder of an ex-drug dealer ex-con—gunned down on his mother's doorstep—seems just another turf war fatality. Why then has Seattle homicide investigator J.P. Beaumont been instructed to keep this assignment hush-hush? Meanwhile, Beau's lover and fellow cop, Mel Soames, is involved in her own confidential investigation. Registered sex offenders from all over Washington State are dying at an alarming rate—and not all due to natural causes. A metropolis the size of Seattle holds its fair share of brutal crime, corruption, and dirty little secrets. But when the separate trails they're following begin to shockingly intertwine, Beau and Mel realize that they have stumbled onto something bigger and more frightening than they anticipated—a deadly conspiracy that's leading them to lofty places they should not enter . . . and may not be allowed to leave alive.

Seattle investigator J. P. Beaumont is drawn into an intriguing, and shockingly personal, case in this superb tale of suspense from New York Times bestselling author J. A. Jance. Former Seattle homicide cop, J. P. Beaumont, is learning to enjoy the new realities of retirement: doing morning crossword puzzles by a roaring fireplace; playing frisbee with his new dog; having quiet lunches with his still working wife. But then his past comes calling. When a long ago acquaintance, Alan Dale, shows up on Beau's doorstep with a newborn infant in hand and asking for help locating his missing daughter, Beau finds himself faced with an investigation that will turn his own life upside down by dragging his none-too-stellar past onto a roller-coaster ride that may well derail his serene present. It turns out that, even in retirement, murder is still the name of J. P. Beaumont's game. For the first time, critically acclaimed, New York Times bestselling suspense master J.A. Jance brings together her two most beloved creations: Arizona sheriff Joanna Brady and Seattle investigator J.P. Beaumont. The dead woman on a cold slab in the Arizona morgue was a talented artist recently arrived from the West Coast. The Washington State Attorney General's office thinks this investigation is too big for a small-town female law officer to handle, so they're sending Sheriff Joanna Brady some unwanted help—a seasoned detective named Beaumont. Sheriff Brady resents his intrusion, and Bisbee, Arizona, with its ghosts and memories, is the last place J.P. Beaumont wants to be. But the twisting desert road they must reluctantly travel together is leading them into a very deadly nest of rattlers. And if they hope to survive, suddenly trust is the only option they have left . . .

“In the gripping *Fire and Ice*, Jance showcases both Beaumont and Brady. . . . The prolific Jance. . . is in fine form.” —Fort Lauderdale Sun-Sentinel

New York Times bestseller J.A. Jance reunites two of her most popular series characters—Cochise County Sheriff Joanna Brady and Seattle detective J.P. Beaumont—in *Fire and Ice*, as the separate investigations into grisly homicides in two different states shockingly intertwine. As Jance proved in her previous Beau/Brady pairing, *Partner in Crime*, when these two join forces, fireworks happen. *Fire and Ice* is not to be missed. An acclaimed medical expert and patient advocate offers an eye-opening look at many common and widely used medical interventions that have been shown to be far more harmful than helpful. Yet, surprisingly, despite clear evidence to the contrary, most doctors continue to recommend them. Modern medicine has significantly advanced in the last few decades as more informed practices, thorough research, and incredible breakthroughs have made it possible to successfully treat and even eradicate many serious ailments. Illnesses that once were a death sentence, such as HIV and certain forms of cancer,

can now be managed, allowing those affected to live longer, healthier lives. Because of these advances, we now live 30 years longer than we did 100 years ago. But while we have learned much in the preceding decades that has changed our outlook and practices, we still rely on medical interventions that are vastly out of date and can adversely affect our health. We all know that finishing the course of antibiotics prevents the recurrence of illness, that sunscreens block harmful UV rays that cause skin cancer, and that all cancer-screening programs save lives. But do scientific studies really back this up? In this game-changing book, Dr. Paul A. Offit debunks fifteen common medical interventions that have long been considered gospel despite mounting evidence of their adverse effects, from vitamins, sunscreen, fever-reducing medicines, and eyedrops for pink eye to more serious procedures like heart stents and knee surgery. Analyzing how these practices came to be, the biology of what makes them so ineffective and harmful, and the medical culture that continues to promote them, *Overkill* informs patients to help them advocate for their health. By educating ourselves, we can ask better questions about some of the drugs and surgeries that are all too readily available—and all too heavily promoted.

An e-original novella from New York Times bestselling author J. A. Jance. Life has shifted for J. P. Beaumont. After a tragic accident that devastated—and ultimately disbanded—his Special Homicide Investigation Team, he accepts that he has left homicide detection behind at this point, but he has a lot of unanticipated free time on his hands. He's keeping busy with renovations on the new house that he and his wife, Mel Soames, the newly appointed chief of police in Bellingham, Washington, have bought. But new fixtures and paint palettes can occupy only so much of Beau's daily life, and Mel is encouraging him to return to where he is needed: investigating crimes. In the meantime, she is struggling to gain control of her new situation, cast into a department where some are welcoming—and some are not. It's been a few months, and the tension in the police department is rising, but Beau realizes Mel has to tackle things in her own way, so he refrains from advising. But when Beau shows up one afternoon to survey the construction at their new house and finds Mel's car there but no sign of her, his investigative instincts kick in. Suddenly he's back in the game—except this time, his heart is on the line as well as his professional dignity.

The smash New York Times bestselling author continues the chilling tale begun in *Kiss of the Bees* and *Hour of the Hunter* with this shocking new tale of knife-edge suspense. The Walker family survived the atrocities perpetrated by a serial killer and his crazed acolyte in both *Hour of the Hunter* and *Kiss of the Bees*. But can they escape the vengeance of a new enemy whose target is their precious daughter, Lani? Told they're traveling to a loving adoptive family in southern Arizona, young girls are being spirited away from an orphanage deep in Colonial Mexico. But the fate that awaits them is truly horrifying. And when death comes, it will be a blessing. Former Sheriff Brandon Walker is a reluctant

retiree. Golf just can't replace the action and sense of purpose his job provided. When he's invited to join The Last Chance Club to review and long-cold unsolved cases, he has no idea that the first case to cross his path will be one he may have botched as a young sheriff. And when the case from all those decades past becomes entangled with a current murder, it seems a serial killer with a very long and shocking track record may be back in business . . . "Years after her son's fatal overdose, grieving mother Rachel Higgins learns that his addiction may have grown out of damage suffered at the hands of a pedophile priest while he was in high school. Looking for vengeance, she targets the Catholic Church's most visible local figure, Archbishop Francis Gillespie. When the archbishop begins receiving anonymous threats, local police dismiss them, saying they're not credible. So he turns to his friends, Ali Reynolds and her husband, B. Simpson. With B. out of the country on a cybersecurity emergency, it's up to Ali to track down the source of the threats. When a shooter assassinates the archbishop's driver and leaves the priest himself severely injured, Ali forms an uneasy alliance with a Phoenix homicide cop in hopes of preventing another attack. But Ali doesn't realize that the killer has become not only more unhinged but also more determined to take out his or her target."--Provided by publisher.

The Starfire Breeze steams its way north toward the Gulf of Alaska, buffeted by crisp sea winds blowing down from the Arctic. Those on board are seeking peace, relaxation, adventure, escape. Jance, the “grand master of the genre” (The Providence Journal), Ali Reynolds's personal life is thrown into turmoil just as two men show up on the scene—a former employee of her husband's who has just been released from prison and a serial killer who sets his sights a little too close to home. Mateo Vega, a one-time employee of Ali Reynold's husband, B. Simpson, has spent the last sixteen years of his life behind bars. According to the courts, he murdered his girlfriend. But Mateo knows that her real killer is still on the loose, and the first thing he's going to do when he gets a taste of freedom is track him down. After being granted parole, a wary Mateo approaches Stu Ramey of High Noon Enterprises for a reference letter for a job application, but to his surprise, Stu gives him one better: He asks him to come on board and work for B. once again. Just as Mateo starts his new job, though, chaos breaks out at High Noon—a deadbeat tenant who is in arrears has just fled, and tech expert Cami Lee has gone missing. Beaumont, tragedy strikes in her personal life, and with lives hanging in the balance, she must thread the needle between good and evil before it's too late. haunt Homicide Detective J.P. Beaumont. But his hunt for answers and justice is leading to more death, and to dark and terrible secrets scrupulously guarded by men of steel behind the locked doors of a powerful union that extracts its dues payments in blood. A breathtaking story of senseless, brutal death in a desolate terrain from New York Times bestselling author J. A. Jance What kind of monster would savagely murder a 71-year-old and leave her battered corpse to rot in the Arizona desert? A crime so patently inhuman, it shocks even those who should be used to death—like Joanna Brady, sheriff of Cochise County. But the slaying of a complex and truly uncommon senior is only one thread in a bloody tapestry—as death follows death in horrific succession, leading one dedicated officer of the law to risk everything as she seeks answers in the lethal shadow of Outlaw Mountain. In New York Times bestselling author J.A. Jance's timely thriller, Ali Reynolds faces her most controversial mystery yet: the murder of a man whose Ponzi scheme bankrupted hundreds of people, and left them seeking justice...or revenge. When Ali's parents lose their life savings to a Ponzi scheme, her father goes to confront his longtime friend and financial advisor, only to stumble upon the scene of a bloody double homicide. With her father suddenly a prime suspect, Ali and her husband work to clear his name and seek justice for her parents, as well as the rest of the scheme's suddenly impoverished victims. But if Ali's father is innocent, that can mean only one thing: one of the others is a stone cold killer. Publishers Weekly promises "series fans will enjoy this highly personal case." Provocative and gripping, Clawback is further proof that no one writes suspenseful thrillers quite like J.A. Jance. A spellbinding story of lies, betrayal, and multiple murder featuring Seattle detective J.P. Beaumont from the New York Times bestselling author of Betrayal of Trust What kind of monster would break into a man's home at night, then slaughter him and his family? The fact that the dead man was a model cop who was loved and respected by all only intensifies the horror. But the killer missed someone: a five-year-old boy who was hiding in the closet. Now word is being leaked out that the victim was "dirty." But Seattle P.D. Homicide Detective J.P. Beaumont isn't about to let anyone drag a murdered friend's reputation through the muck. And he'll put his own life on the firing line on the gang-ruled streets to save a terrified child who knows too much to live. Fifty years ago, when she was five, Sister Mary Katherine witnessed something terrible . . . A former Seattle policeman now working for the Washington State Attorney's Special Homicide Investigation Team, J.P. Beaumont has been hand-picked to lead the investigation into a half-century-old murder. An eyewitness to the crime, a middle-aged nun, has now recalled grisly, forgotten details while undergoing hypnotherapy. It's a case as cold as the grave, and it's running headlong into another that's tearing at Beau's heart: the vicious slaying of his former partner's ex-wife. What's worse, his rapidly unraveling friend is the prime suspect. Caught in the middle of a lethal conspiracy that spans two generations and a killing that hits too close to home -- targeted by a vengeful adversary and tempted by a potential romance that threatens to reawaken his personal demons -- Beaumont may suddenly have more on his plate than he can handle, and far too much to survive. A gun dealer is the first to die, his entire stock of weapons cleaned out. But the killer isn't finished yet, as a series of brutal, blood-chilling murders paralyzes the small Southwestern community the maniac has chosen to feed upon. Every stranger is suspect, every house the possible sanctuary of a monster who skillfully eludes each move of his pursuers. With fear electric and crackling in the bone-dry Arizona air, Sheriff

Joanna Brady of Cochise County knows that she is the one who must protect the town she was chosen to serve. But her desperate hunt for a murderer is leading her into terrifying places . . . and it threatens to take a terrible personal toll on the people she most dearly loves. The dead body discovered in a Seattle dumpster was shocking enough—but equally disturbing was the manner of death. The victim, a high school coach, had been lynched, leaving behind a very pregnant wife to grieve over his passing, and to wonder what dark secrets he took to his grave. A Homicide detective with twenty years on the job, J.P. Beaumont knows this case is a powder keg and he fears where this investigation will lead him. Because the answers lie on the extreme lethal edge of passion and hate, where the wrong kind of love can breed the most terrible brand of justice. From New York Times bestselling author J. A. Jance, the New York Times bestselling author who "has been delivering must-read books for a long time" (*The Real Book Spy*). After spending twenty years behind bars, Frank Muñoz, a disgraced former cop, is out on parole and focused on just one thing: revenge. For Ali Reynolds, the first Christmas without her father is riddled with grief and uncertainty. And with her husband and founding partner of High Noon Enterprises, B. Simpson, preoccupied by an upcoming New Year's trip to London, she is ready for a break. At the hospital, a groggy, post-op B. insists that Ali take his place at a ransomware conference in London, as troubles brimming around High Noon come to light. But questions remain: Who would go to such lengths to cut the tech company from the picture? And what if Ali and the rest of the team are also in danger? The New York Times bestselling master of mystery and suspense, J.A. Jance—whom the *Chattanooga Times* ranks "among the best, if not the best"—brings back her enormously popular series protagonist, Cochise County Sheriff Joanna Brady. With *Judgment Call*, Jance achieves a new high in crime fiction, as Brady wrestles with her conflicting roles of law officer and mother when her daughter discovers the murdered body of the local high school principal, and the ensuing investigation reveals secrets no parent wants to hear. Ali Reynolds is mad as hell and she isn't going to take it anymore! Fired from her glamorous high profile LA anchorwoman job, Ali's returned to her hometown of Sedona, Arizona to lick her wounds, shedding her old life and her old husband (the 'cheating rat') in the process. She's started a blog to help vent her feelings of betrayal: cutlooseblog.com. But the day before their final decree nisi, Ali's estranged husband is found dead in Palm Springs - having been trussed up in the boot of a car and left on the railway tracks to be pulverized by an oncoming freight train - leaving behind him a rich estate and a pregnant fiancée. Not only is Ali the sole heir to her soon-to-be-ex-husband's estate, she's also the prime suspect in his murder. Soon she's heading down a path strewn with corpses and danger alike. But little does Ali realize the extraordinary part her blog will play in tracking down the real culprit. With *Second Watch*, New York Times bestselling author J. A. Jance delivers another thought-provoking novel of suspense starring Seattle investigator J. P. Beaumont. *Second Watch* shows Beaumont taking some time off to get knee replacement surgery, but instead of taking his mind off work, the operation plunges him into one of the most perplexing mysteries he's ever faced. His past collides with his present in this complex and thrilling story that explores loss and heartbreak, duty and honor, and, most importantly, the staggering cost of war and the debts we owe those who served in the Vietnam War, and those in uniform today. A cop lies dying beneath the blistering Arizona sun—a local lawman who may well have become the next sheriff of Cochise County. The police brass claim that Andy Brady was dirty, and that his shooting was a suicide attempt. Joanna Brady, his devoted wife and mother of their nine-year-old daughter, knows a cover-up when she hears one . . . and murder when she sees it. But her determined efforts to hunt down an assassin and clear her husband's name are placing Joanna and her surviving family in harm's way—because in the desert, the one thing more lethal than a rattler's bite . . . is the truth. J. P. Beaumont and Brandon Walker, two of New York Times bestselling author J. A. Jance's most acclaimed series characters, join forces for the first time in one of the most suspenseful works of her career. Years ago, Amos Warren, a prospector, was gunned down out in the desert and Sheriff Brandon Walker made the arrest in the case. Now, the retired Walker is called in when the alleged killer, John Lassiter, refuses to accept a plea deal that would release him from prison with time served. Lassiter wants Brandon and The Last Chance to find Amos's "real" killer and clear his name. Sixteen hundred miles to the north in Seattle, J.P. Beaumont is at loose ends after the Special Homicide Investigation Team, affectionately known as S.H.I.T., has been unexpectedly and completely disbanded. When Brandon discovers that there are links between Lassiter's case and an unsolved case in Seattle, he comes to Beau for help. Those two cases suddenly become hot when two young boys from the reservation, one of them with close ties to the Walker family, go missing. Brady must solve two perplexing cases that may be tied together in New York Times bestselling author J. A. Jance's thrilling tale of suspense that brings to life Arizona's Cochise County and the desert Southwest in all its beauty and mystery. An old woman, a hoarder, is dying of emphysema in Great Barrington, Massachusetts. In cleaning out her house, her daughter, Liza Machett, discovers a fortune in hundred dollar bills hidden in the tall stacks of books and magazines that crowd every corner. Tracing the money's origins will take Liza on a journey that will end in Cochise County, where Sheriff Joanna Brady is embroiled in a personal mystery of her own. A man she considers a family friend is found dead at the bottom of a hole in a limestone cavern near Bisbee. And now there is the mystery of Liza and the money. Are the two disparate cases connected? It's up to Joanna to find out. An e-original novella from New York Times bestselling author J. A. Jance, featuring a sneak peek of the next J. P. Beaumont novel, *Proof of Life* Since the disbanding of the Special Homicide Investigation Team, J. P. Beaumont's biggest concern is pondering whether he and his wife Mel should finally get a dog. But one voicemail from his old friend Ralph Ames is about to change that. Through Ralph, Beau has become involved in an organization called The Last Chance, which enlists a number of retired homicide investigators to tackle long-unsolved cold cases. The one that has just landed on Beau's plate is a thirty-year-old missing persons case. The facts are muddy at best; Janice Marie Harrison's car was found abandoned near a bridge, and scratched in the dirt nearby was the word "sorry." It's possible her death was a suicide, but her body was never found. And as Beau begins to investigate, he discovers that no one connected to Janice—not her once-all-star football player widower, Anders; not her long-grieving sister, Estelle; not sheriff Gavin Loper, who was deputy sheriff at the time of Janice's disappearance; and not Anders's second wife Betsy—is exactly what they seem. The question is, which of them knows the truth? And why have they kept it buried? In this timely "devilish page-turner" (People) from New York Times bestselling author J.A. Jance, Ali Reynolds learns that no good deed goes unpunished. More than ten years after the sudden end of her high-profile broadcasting career, Ali Reynolds has made a good life for herself in her hometown of Sedona, Arizona. She has a new house, a new husband, and a flourishing cybersecurity company where her team of veritable technological wizards hunts down criminals one case at a time. But the death of an old friend brings Ali back to the last story she ever reported: a feel-good human interest piece about a young man in need of a kidney to save his life, which quickly spiraled into a medical mismanagement scandal that landed a prestigious local doctor in prison for murder. Years may have passed, but Dr. Edward Gilchrist has not forgotten those responsible for his downfall—especially not Ali Reynolds, who exposed his dirty deeds to the world. Life without parole won't stop him from getting his revenge. Tattooed on his arm are the initials of those who put him behind bars, and he won't stop until every person on that Annihilation List is dead. In this gripping suspense novel from "one of the finest practitioners of the suspenseful thriller" (The Strand Magazine), Ali Reynolds and her team race against the clock to stop this ruthless killer—before her own name is crossed out for good.
