From New York Times and USA Today bestselling author Laurelin Paige comes a new story in her Fixed Trilogy series... I like sex. Kinky sex. The kinkier the better. Every day, it's all I think about as I serve coffee and hand out business agendas to men who have no idea I'm not the prim, proper girl they think I am. With a day job as the secretary to one of New York's most powerful men, Hudson Pierce, I have to keep my double life quiet. As long as I do, it's not a problem. Enter: Nathan Sinclair. Tall, dark and handsome doesn't come close to describing how hot he is. And that's with his clothes on. But after a dirty, filthy rendezvous, I accept that if we ever see each other again, he'll walk right by my desk on his way to see my boss without recognizing me. Only, that's not what happens. Not the first time I see him after the party. Or the next time. Or the time after that. And as much as I try to stop it, my two worlds are crashing into each other, putting my job and my reputation at risk. And all I can think about is Nathan Sinclair. All I can think about is getting just one more dirty, filthy fix. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. Or are they just beginning? Told from his point of view, Hudson fills the holes in his love story with Alayna Withers. Come on, you know you do. Maybe you pretend you don't. Maybe you clear your browser history religiously. Maybe you pretend to be aghast whenever someone even mentions the word porn in your presence. But the truth is that you do know me. Everybody knows Logan O'Toole, world famous porn star. Except then Devi Dare pops into my world, and pretty soon I'm doing things that aren't like me—like texting her with flirty banter and creating an entire web porn series just so I can get to star in her bed. Again. And again. With Devi, my entire universe shifts, and the more time I spend with her, the more I realize that Logan O'Toole isn't the guy I thought he was. So maybe I'm not the guy you thought I was either. A New York Times and USA Today Bestseller, Book 3 in the acclaimed Fixed Trilogy.

Alayna Withers relationship with Hudson Pierce has tested both her and his ability to trust. They decide that the only way they can move forward together is with open doors and transparency. It won't be easy for the scarred lovers, but they're committed to each other more now than ever. Alayna, in particular, has grown through their trials, and has emerged more confident and faithful to the man she loves. But while the pair is focused on the future, their past shows up again to threaten their fragile bond. Promises that were made are broken, and Alayna learns that Hudson still has very potent secrets--secrets that will tear them both apart. As much as she feels for him, her ability to forgive and forget is tested beyond her limits. Even though she found the only man who could fix her, a forever with Hudson seems more and more out of reach. Edward Fasbender is a devil. He's my father's business rival, a powerful, vicious man who takes what he wants and bows to no one. I only took the meeting because I was curious. I thought he was going to offer me a job. But that's not what he's after at all. His proposal is much more intriguing, and I see an opportunity. An opportunity to turn the tables and bring down the devil. I've gotten in trouble playing these games before. I know when the risk is too great, when the stakes are too high. I know how to be cold and strong-willed and destructive. I know how to withstand dominant men with arrogant charm and rugged features. Yet I can't resist taking on Edward. And I can't resist the pull he has on me. Soon I'm not so sure which side of the battle I'm standing on--if I'm the warrior meant to slay, Or the one who will be slain. Slay: Rivalry is Book One in New York Times, Wall Street Journal, and USA Today bestselling author, Laurelin Paige, next dark and edgy series. One unexpected and wild weekend with Weston King, and I'm a new woman. He, on the other hand, is the same rich, notorious playboy he's always been. In other words, not the commitment type. So even though we had fun those two days and nights, I moved on quickly from our horizontal time together. Or I thought I did until he offered me a job a month later at his firm in NYC. Can you blame a girl for thinking we might have a chance together? What I didn't anticipate was Donovan Kincaid, Weston's best friend and business partner. He's dangerous and dominant and gets under my skin in ways that no other man has. The worst part? I like it. From NYT Bestselling author Laurelin Paige, discover a whole new world filled with sex, love, power, romance and dirty, filthy rich men. His challenge? Make her fall in love with him. Her challenge? Arrogant, egotistical, and the playboy of the University of California, Berkeley, he's everything her brother Pearce has taught her to despise. So why, when the girls challenge her to play the player, doesn't she say no? She doesn't know either. Braden wanted fiery little Maddie the second he laid eyes on her - and he'd do anything to have her, hence why he's agreed to make her fall in love with him. After all, it's the only way he'll get what he wants. Sex. But, as Braden discovers, there's more to the girl from Brooklyn than he ever imagined - and he can't help but care about the broken girl behind those pretty green eyes. Maddie finds Braden isn't just a walking erection - he actually has feelings. He can be sweet, funny and his good looks don't exactly hurt. That means trouble - but when her brother Pearce turns up in Berkeley begging for her help, she realises Braden and Pearce aren't so alike anymore. And maybe, just maybe, they're exactly what each other needs. Past and present weave together in Donovan's point of view for the next chapter in Donovan and Sabrina's life. But now I want more. Except, a dangerous secret from my past threatens to come between us, forcing me to confront what kind of man I am. And whether I'm the one who can save our future. reading experience. He's ready for his close up, but she's the one calling the shots. On the night of her graduation from film school, straight-laced Maddie Bauers fell completely out of character for an oh-my-god make-out session with a perfect stranger. Complete with the big O. Seven years later, that romantic interlude is still fresh in her mind. That stranger is now a rich and famous actor. And she's one very distracted camera assistant working on his latest production. She might consider another tryst...if he even remembers her. Micah Preston does indeed remember Maddie. Too bad he's sworn off Hollywood relationships. He allows himself as much sex as he likes-and oh, he does like-but anything more is asking for trouble. For the woman, not for him. Yet knowing Maddie could want more than a movie-set fling doesn't stop him from pursuing her like a moth drawn to hot stage lights. But as the shoot nears its end, it's decision time. Is it time to call "Cut!" on their affair, or is there enough material for a sequel? Warning: Contains a dreamy movie star hero, a focus-pulling heroine, off-the-charts instant chemistry, steamy sex in near-public locations, and a new use for lip gloss. We were supposed to run away after graduation. When she didn't show at our meeting place, I got brave and went after her. It was a mistake. I left bloodied and bruised. I had no choice but to walk away. Years passed. I traveled, settled halfway around the world, made enough money that I didn't have to look back. But I never got over her. Then, out of the blue, she calls. And, what she asks for, the favor that she wants? I never thought I'd be willing to take a life. But the truth is, and always has been: I'd do anything for her. From New York Times and USA Today bestselling author Laurelin Paige comes a new story in her Found Duet series... I knew JC was trouble the minute I laid eyes on him. Breaking every rule in my club. I never forget how he made me feel that night. With all the women in that room, all those bodies on display, but his eyes were only on me. Of course I married him. Now years have passed. Kids have been born. We're still in love as always, and the sex is still fantastic... And yet, it's also not. Like many who've been married for a while, I long for the high intensity of those days of the past. I've heard rumors for years about the Open Door. An ultra-exclusive voyeur's paradise. A place to participate in—or watch—any kind of display you can imagine. My husband's eyes would still be on me. And maybe other eyes too. If that's what we want. So when an invitation to come play arrives, how could we turn it down? **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. I didn't have a plan for him. He was the means to an end, a workaround to the cruel terms of my father's will that would allow me to inherit his company. I hadn't planned to fall for him. I hadn't planned to enjoy every minute of our wedding, hadn't planned to gasp his name so many times that night, hadn't planned for the sexy games on our honeymoon. He didn't plan for his secrets to come out. And neither of us planned for heartbreak. The Sebastians own this city. Hell, they own the whole world. All I want is one little piece of it, a corner that I can call my own. It's everything I've ever wanted-fast paced and high stakes-and, even though I don't fit in, I'm excellent at faking it. Until I come face to face with the man in charge, Scott Sebastian, the arrogant, playboy heir with the mind of a devil and the body of a god and a mouth I can't stop thinking about. He's infuriating. He's a distraction. He's the man who wants me in his bed as much as I want to be there. And, if I get too close, he'll be the one person who could expose me for what I really am-a fraud. Norma Anders has always prided herself on her intelligence and determination. She climbed out of poverty, put herself through school and is now a chief financial advisor at Pierce Industries. Unfortunately most men see independence and ambition in a woman and they run. Even her dominant boss, Hudson Pierce has turned down her advances, leaving her to fear that she will never find the lover she's longing for. Then the most unlikely candidate steps up. Boyd, her much-too-young and oh-so-hot assistant surprises her one night with bold suggestions and an authoritative demeanor he's never shown her in the office. It's a bad idea...such a deliciously bad idea...but when Boyd takes the reins and leads her to sensual bliss she's never known, the headstrong Norma can't help but fall under his command. "Masterful. Blake knows exactly the kind of woman he's looking for—and it's the total opposite of Andrea. Though smart and undeniably sexy, she is simply too headstrong for a man who's used to being in charge. Still, Blake's blood pressure rises whenever she's near him. How can he explain the smoldering attraction that sizzles between them? And how can Andrea deny she's feeling it, too? Maybe, just maybe, they've finally met their match... "I've discovered Donovan Kincaid's secret. It's dirty and filthy and rich as dirty and filthy and rich as he is and it haunts me as much as he ever did. Even after knowing what I know now, I still want to talk to him, to touch him.
